

The ELSA Speaking Test - Instructions and Sample Questions

Candidate instructions for the paper-based speaking tests

For the paper and tape based ELSA speaking test, candidates will be given a prompt sheet which contains the test instructions and questions. Example speaking test questions are shown on pages 53 – 54.

Instructions

There are six parts to this test, and the whole test lasts about 30 minutes. After each question, you will hear a tone that sounds like this (*tone*). Do not begin speaking until you hear the tone. Try to speak clearly, and give as much information as you can.

At the end of the test, candidates will be advised *“Thank you. This is the end of the ELSA Speaking Test. However, if you have any comments you would like to make about the test, or about how well you think you did in the test, you may make them now, after the tone.”*

Candidate instructions for the online speaking tests

Candidates will be given a guide to the screens, and will be prompted to check sound and recording: **play sound** and **microphone/headset instructions**. The simple on-screen prompts are followed to ensure that soundcard, speakers or headphones and microphone, are working correctly. There will be a prompt to allow Macromedia Flash Player. This prompt must be accepted by clicking on **Allow** for the test to proceed.

If any of these tests fail, then a technician must be consulted to remedy the problem before the test can proceed.

The following is a description of the online Speaking test, and includes some sample questions. The text in *italics* represents the instructions for candidates and is printed as they appear on screen for the online tests. In the online test, listening material to answer the questions is **NOT** shown on screen.

The following interactive features are on each screen in the test

Prompt to move to next screen or question

Buttons to go back to previous screen when this is allowed.

Prompt to end the test
