G. Scott,2020-10-12 How to tone and sculpt your body even if you hate cardio or have never stepped inside a gym and don t plan on doing so At one point or another we ve all told ourselves I m going to sign up for a gym membership and really do it this time or I swear I ll do my workout later on tonight We all know the benefits of exercise It improves our physical and mental health gives us more energy and boosts our self image So why is it so hard to

start an exercise regimen and even harder to stick to it Despite our best intentions life gets in the way and there always seems to be an obstacle stopping us from actively trying to live healthier Whatever the reason continuing to live a sedentary lifestyle isn't doing you any favors In fact physical inactivity is the 4th leading risk factor for global mortality and is a strong predictor for weight gain cardiovascular disease and other chronic conditions Does this mean that you have to make drastic lifestyle changes to start improving your health mentally and physically Or that you need to give up time doing what you love just so you can spend hours in the gym Not at all I'll let you in on a secret that the fitness industry doesn't want you to know You don't need fancy equipment or expensive trainers to sculpt the body that up until now you've only imagined A G Scott knows firsthand the amazing results that can be achieved with home workouts and so he has put together the only exercise guide you'll ever need In Home Workouts Anyone Anytime Anywhere you will discover The six key elements every workout must have in order to make the most of your time and effort and how they will have you seeing results sooner than you would believe Exercises for every muscle group and fitness level with clear comprehensive instructions diagrams and variations so you're working your target areas every time The 1 upper body workout that will rapidly build your overall strength hint small adjustments make big changes How this engaging training method can help you burn more calories than traditional cardio and continue to burn calories even after your workout is finished The numerous benefits of dynamic stretching and how that one simple habit not only warms up your muscles but also improves your balance and coordination over time Meal plans that can be adapted for any lifestyle so you can create a plan that meets your personal needs and preferences The most common mistakes people make without realising and how these can hold you back from achieving incredible results And much more With the demands and responsibilities of everyday life you shouldn't have to sacrifice precious hours every week going to the gym to build the body you've always wanted The key to transforming your life is having a workout routine that works for you not against you This is a plan that will adjust to match your needs and experience no matter where you are It's time to leave the costly gym membership behind save money and allow yourself more time to enjoy life If you start today think how much better you will look and feel in a month If you want to start looking forward to exercise and commit to achieving the body of your dreams no strings attached then scroll up and click the Add to Cart button right now **The Time-Saver's Workout**

John Little, 2019-04-09 There is something terribly wrong with the state of exercise as we know it presently Sales of treadmills running shoes gym memberships and yoga classes are at an all time high but so too are our national levels of obesity and type II diabetes Ever since the 1960s the exercising public has been told to stretch for flexibility and to perform low intensity steady state aerobic exercise for their cardiovascular systems and some form of resistance training to keep their muscles strong With regard to diet they have been told to restrict or omit macronutrients such as fats and carbohydrates and lots of other advice with regard to calorie counting Could it be that this information however well intended was mistaken And is it really necessary to devote so much time to the pursuit Fitness researcher and pioneer John Little has spent more than

twelve years researching the actual science underpinning our most prevalent beliefs about exercise and has come away from the enterprise convinced that we need an entirely new paradigm one that would involve reliance on briefer workouts He presents this revolutionary new approach in *The Time Saver's Workout* Among the fascinating revelations presented in this book Certain types of exercise can actually make you less healthy and fatter Taking large doses of food supplements might actually shorten your life and put you at greater risk for disease Stretching to become more flexible or to recover quicker from injury has been found to do neither of these things Resistance training once considered to be the weak sister of exercise is now looking like the best form of exercise one should engage in The new protocols that Little exposes offer a far safer alternative for those looking to become stronger fitter and healthier without spending their lives in the gym **Bring It!** Tony Horton,2012-05-08 Creator of the best selling P90X workout series Tony Horton shows you how to Bring It for the results you want Over the past 25 years Tony Horton has helped millions of people from stay at home moms to military personnel to A list celebrities transform their bodies and their lives with innovative workouts and cutting edge advice Now in his first book he shares the fundamentals of his fitness philosophy with millions more revealing his secrets for getting fit and healthy and melting away pounds One size fits all diets and exercise regimens just don't work that's why Tony creates unique programs for each of his clients In *Bring It* he shows you how to build your own diet and fitness plan tailored to your individual lifestyle preferences and goals With a Fitness Quotient FQ quiz designed to assess your likes dislikes and current fitness level you can choose the program that's right for you In photographs and easy to follow instructions Tony demonstrates his unique moves and exercise combinations that include cardio fat burners lower body blitzers core strengthening plyometrics yoga and more You'll also discover Tony's fat blasting eating plan and detox tips delicious recipes and mental motivators Whether you've never been to the gym before are looking to get bikini ready or simply want to take your workout to the next level Tony Horton can give you the results you've been looking for A better body and future is possible when you commit to change Get ready to Bring It **Home Workout** DK,2009-12-21 Forget gyms expensive kit and hours of punishing fitness regimes choose from a range of 15 minute pilates yoga and abs workouts back exercises and strength training programmes and get your body in top shape with *Home Workout* Clear at a glance photos show you exactly what to do and the live action 60 minute DVD demonstrates a choice of workouts to suit your fitness needs and mood A total fitness package exercising at home has never been easier or quicker **ANIMAL KINGDOM WORKOUTS** Rahul Mookerjee,2020-07-04 Benefits you can expect from following the routines and exercises laid out in this book Super strength and CONDITIONING not to mention WEIGHT LOSS in an all in one package No more need for long drawn out workouts Most of these workouts won't take longer than 10 minutes at most if you do things right the workout part of it you may be panting for a long long time during and after the workouts though Hehe A core of STEEL Quite literally If you thought my other exercises gave you a core of steel well you were right especially those in *Corrugated Core* but this book takes CORE training

to a whole new level You ll have animal like CORE strength Quite literally my friend Ever seen a gorilla with a paunch or tiger with flab hanging off it I didn t think so Neither have I and the way these animals MOVE in daily life is one reason And if you don t think core strength is important think AGAIN As Herschel Walker famously said get the core ready and you can handle ANYTHING GRIP strength from Cain and then some Believe me my fingers almost fall off when doing some of these exercises and I ve been doing em a while I m the Gorilla Grip And still The grip is truly the LITMUS test of REAL strength my friend either for a man or a woman and you ll develop ape like crushing grip strength with the exercise mentioned there in not to mention fingers of STEEL and strong pliable wrists to boot Shoulder neck and back pain will disappear in a trice as you do these exercises Your legs will become pillars of steel and your STAMINA will shoot through the roof as well FAT will fly off your frame so fast your friends and family will wonder what is going on Believe me I sweat for HOURS after these workouts I m sitting in an air conditioned room right now tying this and I just got done taking a shower It s MORE THAN AN hour after my workout and the sweat is still trickling off me In fact I should say you ll experience ULTRA RAPID FAT LOSS once you get on the stick with these workouts my friend I mean ultra rapid Don t be surprised if you lose more than a few inches within the first couple of weeks of getting on these workouts You ll feel much better after these workouts In fact you ll have a sparkle to your face and a new found SPRING in your stride once you start getting good at these You ll experience increased productivity in all areas Work life and I have to say this here the bedroom as well And YES If you work the core heavily guess what areas of the body get worked the most and what benefits accrue Right You got it You ll build upper arm shoulder and chest muscle like never before Your entire back will start to get that V shape to it And remember we ain t doing a single pull up in this course Your neck and traps will grow larger and more muscular in size In fact neck pain will be a thing of the past as will lower back pain Think boa constrictor like muscles all over your lower back Your tendons ligaments and connecting musculature will ALL increase in sheer strength once you get on these routines It s well known that most injuries occur due to weak ligaments and connective tissues and these workouts will resolve the above once and for all Your performance on the SPORTING arena will increase tremendously If you re a martial artist wrestler boxer or other sort of physical enthusiast guess what the benefits from these workouts will not just carry over but will ENHANCE your performance in those activities Well my friend I ve said my bit Now it s up to YOU It s up to YOU decide whether or not you want to remain on the fence or take the FIRST and most TANGIBLE step to turning into the real man or woman you were always MEANT TO BE The choice is yours my friend If I were your brother I know what I d tell you Order NOW and start to change your life for the better instantly Rahul Mookerjee **Grit & Glory** Kaiser Johnson,2018-02-19 Build strength speed endurance and flexibility and learn what it means to be physically and spiritually fit In Grit Glory actor and elite obstacle racer Kaiser Johnson teaches you how to integrate body and soul with traditional training principles Whether you are a person of faith looking to increase your level of fitness or a fitness enthusiast looking to deepen your spiritual life it s time to
