Martin Charles Strong

Janis Ian Discography At:

The Great Rock Discography Martin Charles Strong,1998 Martin Strong's best selling and highly acclaimed monster reference book is now in its fourth edition Encyclopaedic in scope the book contains incomparable details on all the great figures in the development of the rock genre **The Jazz Discography** Tom Lord,1992 *The Essential Rock Discography* Martin Charles Strong,2006 Covers British and American artists and groups including a biography or history and chronological discographical listings in each entry **The Jazz Discography: Musician Index** Tom Lord,1992 [Focus On: 100 Most Popular American Autobiographers](#) Wikipedia contributors, **Dressed in Black** Lisa MacKinney,2025-03-18

The first full length history of the Shangri Las one of the most significant and most misunderstood pop groups of the 1960s Sisters Mary and Betty Weiss together with twins Mary Ann and Marguerite Ganser were schoolgirls when they formed the Shangri Las in 1963 and had a meteoric rise to fame with songs like Leader of the Pack and Remember Walking in the Sand Their career was cut short for reasons largely beyond their control derailed by the machinations of Mafia linked record executives and heartbreak and tragedy followed Historian Lisa MacKinney marshals an impressive array of new evidence to tell the Shangri Las story dispelling many myths and long standing mysteries along the way Equally importantly Dressed in Black radically rewrites the accepted narrative of the Shangri Las place in rock history As young women they were permitted little agency within a male dominated industry that viewed teenagers as fodder to be manipulated and exploited by producers songwriters and label owners For decades this has served as an excuse for critics to deny the musical input of the group members to trivialize the Shangri Las as a girl group and to assign their work a lesser rank in the canon of authentic rock and roll MacKinney's great achievement here is to foreground the Shangri Las considerable abilities and musicality and establish the centrality of their performance of their songs to the group's underappreciated artistic achievement This is not to deny the critical role in the group's success of professional songwriters including Ellie Greenwich and Jeff Barry and writer producer George Shadow Morton a pioneering and eccentric figure whose self mythologizing has generated a level of obfuscation that rivals that of the Shangri Las themselves MacKinney's clear sighted account reveals Morton in a completely new light and as part of a complex ecosystem of musical relationships Morton wrote and produced highly emotional material specifically for the Shangri Las because he knew they had the skills to make his mini operas not only believable but enthralling The group members particularly Mary Weiss channeled personal anguish into their extraordinary performances which are central to the songs impact no less so than for such classic singers as Ella Fitzgerald and Elvis Presley who also relied on producers and songwriters for their body of work The Shangri Las impassioned delivery elicited a massive response from their audience of fellow teenagers at the time and has continued to connect profoundly with audiences ever since MacKinney backs up these arguments with in depth analysis of key Shangri Las recordings and makes a powerful case that their achievements warrant a far more prominent place for the Shangri Las in the history of popular music

Twentieth-century Popular Culture in Museums and Libraries Fred E. H. Schroeder, 1981 Although libraries and museums for many centuries have taken the lead under one rational or another in recovering storing and displaying various kinds of culture of their periods lately as the gap between elite and popular culture has apparently widened these repositories of artifacts of the present for the future have tended to drift more and more to what many people call the aesthetically pleasing elements of our culture The degree to which our libraries and museums have ignored our culture is terrifying when one scans the documents and artifacts of our time which if history in any wise repeats itself will in the immediate and distant future become valuable indices of our present culture to future generations As Professor Schroeder dramatically states it No doubt about it it is the contemporary popular culture that is the endangered species The essays in this book investigate the reasons for present day neglect of popular culture materials and chart the various routes by which conscientious and insightful librarians and museum directors can correct this disastrous oversight *The Jazz Discography: A-Z* Tom Lord, 1995 *Popular Singers of the Twentieth Century* Robert H. Cowden, 1999-07-30 This guide to the biographical literature available on popular 20th century singers covers nearly 1000 artists Much of the literature cited is also cross referenced to major biographical dictionaries encyclopedias and relevant periodicals Entries not only list known publications associated with popular singers but also incorporate elements of analytical and descriptive bibliography The artists included in this volume increasingly cross musical boundaries The popular singer category therefore encompasses Broadway Hollywood cabaret and operetta performers as well as recording artists Scholars of popular music and popular music enthusiasts will appreciate the extensive research this work embodies Divided among three sections citations are arranged alphabetically and include information about literature published through 1997 An appendix of additional artists and an index complete the volume *Focus On: 100 Most Popular American Rock Songwriters* Wikipedia contributors, **Rock Music in American Popular Culture III** Frank Hoffmann, B Lee Cooper, Wayne S Haney, 2014-02-04 *Rock Music in American Popular Culture III More Rock n Roll Resources* explores the fascinating world of rock music and examines how this medium functions as an expression of cultural and social identity This nostalgic guide explores the meanings and messages behind some of the most popular rock n roll songs that captured the American spirit mirrored society and reflected events in our history Arranged by themes *Rock Music in American Popular Culture III* examines a variety of social and cultural topics with related songs such as sex and censorship Only the Good Die Young by Billy Joel and Night Moves by Bob Seger and The Silver Bullet Band holiday songs Rockin Around the Christmas Tree by Brenda Lee and The Christmas Song by Nat King Cole death Leader of the Pack by The Shangri Las and The Unknown Soldier by The Doors foolish behavior When a Man Loves a Woman by Percy Sledge and What Kind of Fool by Barbra Streisand and Barry Gibb jobs and the workplace Don t Stand So Close to Me by The Police and Dirty Laundry by Don Henley military involvements Boogie Woogie Bugle Boy by the Andrews Sisters and War by Edwin Starr novelty recordings The Purple People Eater by Sheb Wooley and Eat It by Weird

Al Yankovic letters and postal images P S I Love You by The Beatles and Return to Sender by Elvis Presely In addition a discography and a bibliography after each section give further examples of the themes and resources being discussed as do extensive lists of print references at the end of the text **The Popular Music Handbook** B. Lee Cooper, 1984

Response Recordings Lee B. Cooper, Wayne S. Haney, 1990-08 This book presents a comprehensive alphabetized list of over 2 500 hit tunes that prompted the production of answer songs or other forms of response recordings Covering January 1 1950 through January 1 1990 the compilers list more than 5 000 recordings 45 rpm by title artist record number and date of release With a well documented introductory essay **Backstage Pass** Laura Post, 1997 35 in depth interviews with independent woman identified musicians like Ferron Joan Osborne Ani DiFranco and Sweet Honey in the Rock Laura Post has provided a comprehensive collection of interviews with thirty five vibrant women musicians In an industry characterized by corporate packaging and promotion these women have distinguished themselves as independent and assertive voices Alix Dobkin June Millington Margie Adams Holly Near Sweet Honey in the Rock Ani DiFranco Ferron Avotcja and Joan Osborne to name only a few have attained legendary status through their great musicianship and the ardent support of the women in their audiences Here is an intimate glimpse into the personal and political lives of rock folk and jazz musicians whose songs of empowerment have influenced and enriched generations of women **Atlantic Records** , 1979-08-21 This four volume discography in chronological segments from 1947 to 1974 purports to cover every recording Atlantic Records ever issued in serial order with minor exceptions It looks like a good job For collectors it is invaluable Choice *Songwriters on Songwriting* Paul Zollo, 1991 A collection of 31 interviews featuring advice and inspiration from many of the world s most influential songwriters *Film, Television, and Stage Music on Phonograph Records* Steve Harris, 1988 The most comprehensive through August 86 accurate and thoroughly researched reference ever published on film television and stage music from U S and British productions There are three categories film music television music stage music recordings and each has two indexes main records original and adapted music composed specifically all records verified and related records themes inspired by films cover versions of traditional music etc **Popular Music Periodicals Index, 1975** , 1976-10

Percussionists Stephen L. Barnhart, 2000-03-30 Alphabetically arranged entries summarize the professional careers of over 500 percussionists from various musical venues Due to the shrinking global village ethnic percussion was rediscovered and incorporated into the concert hall Since percussion transcends all musical styles it often is featured center stage as a solo or ensemble in heterogeneous musical settings These excerpts represent percussionists who spent the majority of their lives performing as collaborative or solo artists or working as inventors or manufacturers of percussion instruments Where applicable select discographies bibliographies and videographies accompany the entries This detailed reference will appeal to professional percussionists instructors and percussion historians Data has been compiled from numerous disparate sources and entries are cross referenced Individual bibliographies include articles by or about the person and a general

bibliography lists broader reference works Discographies and videographies reflect samples of an artist s work Select photographs complement the text **National Union Catalog** ,1980

Janis Ian Discography At Book Review: Unveiling the Magic of Language

In a digital era where connections and knowledge reign supreme, the enchanting power of language has become much more apparent than ever. Its capability to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**Janis Ian Discography At**," compiled by a very acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we will delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.
