Marine Biology

Peter Castro
Michael E. Huber

A vibrant, glowing jellyfish is the central focus of the cover. The jellyfish has a large, bell-shaped top that transitions from a bright yellow at the center to a deep orange at the edges. Below the bell, numerous long, thin, translucent tentacles are visible, some of which are illuminated with a bright greenish-blue light. The background is dark, with a soft, ethereal glow of green and blue light, suggesting an underwater environment.
