Me Since You Laura Wiess,2014-02-18 Featuring a Gallery readers group guide P 4 of cover Me Since You Laura Wiess,2014-02-18 Laura Wiess s masterful prose kept me turning the pages This is the first book in a very long time that made me say Wish I d written this Ellen Hopkins author of Crank on Such a Pretty Girl Laura Wiess captures the visceral emotion of a girl s journey from innocence to devastating loss and ultimately to a strange and unexpected kind of understanding in this beautiful and painfully honest new novel Are there any answers when someone you love makes a tragic choice Before and After That s how Rowan Areno sees her life now Before she was a normal sixteen year old a little too sheltered by her police officer father and her mother After everything she once believed has been destroyed in the wake of a shattering tragedy and every day is there to be survived If she had known on that Friday in March when she cut school that a random stranger s shocking crime would have traumatic consequences she never would have left campus If the crime video never went viral maybe she could have saved her mother grandmother and herself from the endless replay of heartache and grief Finding a soul mate in Eli a witness to the crime who is haunted by losses of his own Rowan begins to see there is no simple straightforward path to healing wounded hearts Can she learn to trust hope and believe in happiness again
