

The background of the slide is a dark, almost black, space filled with dynamic, flowing lines. These lines are primarily in shades of bright blue and vibrant orange, with some lighter, ethereal tones. They curve and swirl across the frame, creating a sense of motion and depth. The lines are most concentrated in the lower half of the image, where they appear to flow from left to right, and then curve upwards and back towards the left. The overall effect is reminiscent of a digital or scientific visualization, such as a fluid dynamics simulation or a data visualization of complex systems.
