Chapter 20- *Spanish American War; American Imperialism* pp 388-391

Purpose: This guide is not only a place to record notes as you read, but also to provide a place and structure for reflection and analysis using your noggin (thinking skills) with new knowledge gained from the reading. This guide, if **THOUGHFULLY completed (in its entirety)**, BOP (Beginning of Period) by the due date, can be used on the corresponding quiz as well as earn up to 10% bonus points. In addition, completed guides provide the student with the ability to correct a quiz for 15 points back! The benefits of such activities, however, go far beyond quiz help and bonus points. <

Mastery of the course and AP exam await all who choose to process the information

3. **Read/Analyze:** Read the chapter. If you have your own copy of AMSCO, **Highlight key events and people as you read.** Remember, the goal is not to "fish" for a specific answer(s) to reading guide questions, but to **consider questions in order to critically understand what you read!**
4. **Write** Write (do not type) your notes and analysis in the spaces provided. Complete it in **INK!**

Key Concepts FOR PERIOD 7:

Main Idea: An increasingly pluralistic United States faced profound domestic and global challenges, debated the proper degree of government activism, and sought to define its international role.

Key Concept 7.1: Governmental, political, and social organizations struggled to address the effects of large-scale industrialization, economic uncertainty, and related social changes such as urbanization and mass migration.

Key Concept 7.2: A revolution in communications and transportation technology helped to create a new mass culture and spread "modern" values and ideas, even as cultural conflicts between groups increased under the pressure of migration, world wars, and economic distress.

Key Concept 7.3: Global conflicts over resources, territories, and ideologies renewed debates over the nation's values and its role in the world, while simultaneously propelling the United States into a dominant international military, political, cultural, and economic position.

This Guide has a slightly different format from the guides you completed last semester, FYI!
