closet and told everyone that instead of kissing him Alyssa had emitted a noxious fume in the closed space Perhaps the high point of Josh Trumbull's prank filled childhood happened at a spin the bottle party when the girl he fostered a wicked crush on refused to grant him that one little kiss and instead treated him like a pariah when they were sequestered in the dark confines of the kissing closet Quick on his feet with a rejoinder Josh popped out of the dark room and told all his buddies that Alyssa had pooted in there killing all romantic notions of a first kiss He hadn't given this moment a second thought for the rest of his life Until now When he rings the doorbell of the woman whose home he's set to renovate and when she opens the door her face falls much like it did when that spinning bottle pointed straight at her nearly fifteen years earlier Leaving him to wonder does he have any chance of rebuilding a relationship with the woman who hates him most as he rebuilds her home
