

THORNTON | MARION

CLASSICAL  
DYNAMICS  
OF PARTICLES AND SYSTEMS

A diagram illustrating a multi-body system. Six particles, represented as dark grey spheres, are positioned at various points along several concentric, elliptical orbits. The orbits are drawn in a light green color against a darker green background. The particles are arranged in a way that suggests they are moving along these paths, possibly representing a complex gravitational system or a model of celestial mechanics.
