Freedom of expression and the Internet Prof. Wolfgang

Benedek, Dr Matthias C. Kettmann, 2014-01-15 With the rise of the Internet the opportunities to express oneself have grown exponentially as have the challenges to freedom of expression From the Arab Spring to the global Occupy movement freedom of expression on the Internet has had a profound impact on the debates which shape our future At the same time an increasing number of states use the Internet to spy on journalists and citizens to prosecute and jail bloggers and to censor online information This book sets out to answer essential questions regarding the extent and limits of freedom of expression online It seeks to shed light on the often obscure landscape of what we are allowed to say online and how our ideas and the process of imparting and receiving information are protected It shows the large ambit of rights protected by freedom of expression including freedom of the media and the right to access information via the Internet It also highlights the importance of the standard setting monitoring and promotion activities of international and non governmental organisations with a chapter on relevant national practices that illustrates how different states deal with the challenge that the Internet has brought to ensuring freedom of expression for all As the importance of the Internet in our daily lives grows readers will find this book to be a valuable resource for understanding the rights and obligations of each actor on the Internet including states Internet companies and civil society

Trademarks and Social Media Danny Friedmann, 2015-09-25 Legal conflicts between trademark holders social media providers and internet users have become manifest in light of wide scale unauthorised use of the trademark logo on social media in recent decades Arguing for the protection of the trademark logo against unauthorised use in a commercial environment this book explores why protection enforcement should be made automatic A number of issues are discussed including the scalability of litigation on a case by case basis and whether safe harbour provisions for online service providers should be substituted for strict liability

The Digital Transformation of the Public Sphere Athina Karatzogianni, Dennis Nguyen, Elisa Serafinelli, 2016-12-17 Bringing together contributions from the fields of sociology media and cultural studies arts politics science and technology studies political communication theory and popular culture studies this volume engages both with theoretical debates and detailed empirical studies showcasing how the public sphere is transformed by digital media and in turn how this digital public sphere shapes and is shaped by debates surrounding crisis conflict migration and culture Case studies from Bulgaria Nigeria China Greece Italy Cyprus UK Mexico and India are discussed in detail
