Don Blackman, Graphics Director
The Graphics Place
1323 Main Street
Burkes, Montana 33333

Dear Mr. Blackman:

I am writing in reference to your advertisement for a graphic artist/designer in yesterday's Montana Morning Post. My experience in web design and publishing, Photoshop, and creating graphics for in-house publications makes me an exceptionally qualified candidate for this position.

My former position, in which I was promoted twice, required I develop my skills in Illustrator, InDesign, and FontLab Studio. My specialty was exploring the potential of visual communication in all its contemporary forms, and I won three awards for my work. If you are looking for someone dedicated to fresh approaches in communicative arts, please look at my attached resume.

I am available for an interview at any time. I may be reached at home at 555-555-5555 or via e-mail at bloa@aolb.com. However, I will be happy to call you next Thursday to see whether you have received and reviewed my application. At that time, I would be delighted to set up an interview appointment or to answer any questions that you might have. Thank you for your consideration.

Thank you,
Sam Smith

Remember to find out the name and title of the person who is receiving the application. This will show the company you did your research and ensure your resume makes it to the right place!

This opening paragraph highlights some skills the job seeker has, and it echoes language from the job posting. This shows how the applicant is a good fit!

Your cover letter shouldn't recite your resume, but, rather, highlight a few skills or accomplishments that set you apart from other candidates.

The last paragraph of this letter states what the job seeker wants and what they will do to follow up. This finishes the letter with a clear and professional closing.
