## **Cruellest Month:**

**The Cruellest Month** Louise Penny, 2008-03-04 Read the series that inspired Three Pines on Prime Video The Cruellest Month is the third book in Louise Penny's award-winning Three Pines mystery series featuring the wise and beleaguered Inspector Armand Gamache. Many mystery buffs have credited Louise Penny with the revival of the type of traditional murder mystery made famous by Agatha Christie. Sarah Weinman Welcome to Three Pines where the cruellest month is about to deliver on its threat. It's spring in the tiny forgotten village buds are on the trees and the first flowers are struggling through the newly thawed earth. But not everything is meant to return to life. When some villagers decide to celebrate Easter with a sance at the Old Hadley House they are hoping to rid the town of its evil until one of their party dies of fright. Was this a natural death or was the victim somehow helped along? Brilliant, compassionate Chief Inspector Armand Gamache of the S ret du Qu bec is called to investigate in a case that will force him to face his own ghosts as well as those of a seemingly idyllic town where relationships are far more dangerous than they seem

**Next Line, Please** David Lehman, 2018-03-15 In this book David Lehman, the longtime series editor of the Best American Poetry, offers a masterclass in writing in form and collaborative composition. An inspired compilation of his weekly column on the American Scholar website, Next Line Please makes the case for poetry open to all. Next Line Please gathers in one place the popular column's plethora of exercises and prompts that Lehman designed to unlock the imaginations of poets and creative writers. He offers his generous and playful mentorship on forms such as the sonnet, haiku, tanka, sestina, limerick, and the cento, and shares strategies for how to build one line from the last. This groundbreaking book shows how pop-up crowds of poets can inspire one another, making art with what poet and guest editor Angela Ball refers to as spontaneous feats of language. How can poetry thrive in the digital age? Next Line Please shows the way Lehman writes. There is something magical about poetry, and though we think of the poet as working alone, working in the dark, it is all the better when a community of like-minded individuals emerges, sharing their joy in the written word

*On the Waters* Raymond W. Kucharski, 2011-12-06 ON THE WATERS The best stories from FINS FEATHERS To read these short essays of fishing adventures by Ray Kucharski, you come to appreciate the joy he gets from each fishing day and each cast he makes. The stories are not only charming but also informative about ways of catching the wily fish. Each story describes the delight that an avid fisherman like Ray feels for the sport of fishing. One gains many insights and some important learning lessons for life that this sport gives to all those who do it. Ray has been writing these stories for over ten years for the small Waterville community paper The Waterville Wig Wag. He also has written for American Angler and Flyfishing Tying Journal magazines. My husband David and I, editors of the small paper, encouraged Ray to put these many stories together as a group of essays. I am sure you will enjoy these tales of New Hampshire and New England fishing as our readers have. Even if you are not a fisherman, you will not be bored. I never was. Birdie Britton, Editor of the Wig Wag
