and the shoemaker Once there lived an old shoemaker He worked day and night but still he couldn't get over his poverty One day as usual he cut the leathers for the shoes to stitch but felt drowsy so he left the leather on the table and went to bed Next morning he was surprised to see a pair of well made shoes on the table That night he bought leather for four shoes and purposefully left the leather on the table and was again surprised to find four shoes on the table He decided to find out who is making the shoes for him so he hid behind a closet at night
