**Derrida's 'Writing and Difference'** Sarah Wood, 2009-05-08 Writing and Difference is one of Jacques Derrida's most widely read and studied books. In a collection of essays that engage with literature, history, poetry, dramaturgy, psychoanalysis, ethnology, and structuralism, Derrida demonstrates how philosophy and literature might be read and revolutionizes our understanding of writing, difference, and life itself. This introduction is the ideal companion to an unprecedented and influential group of texts.

**The Oxford Handbook of Levinas** Michael L. Morgan, 2019-04-10 Emmanuel Levinas (1906-1995) emerged as an influential philosophical voice in the final decades of the twentieth century, and his reputation has continued to flourish and increase in our own day. His central themes—the primacy of the ethical and the core of ethics as our responsibility to and for others—speak to readers from a host of disciplines and perspectives. However, his writings and thought are challenging and difficult. The Oxford Handbook of Levinas contains essays that aim to clarify and engage Levinas and his writings in a number of ways. Some focus on central themes of his work; others on the ways in which he read and was influenced by figures from Plato, Hobbes, Descartes, and Kant to Blanchot, Husserl, Heidegger, and Derrida. And there are essays on how his thinking has been appropriated in moral and political thought, psychology, film criticism, and more, and on the relation between his thinking and religious themes and traditions. Finally, several essays deal primarily with how readers have criticized him and found him wanting. The volume exposes and explores both the depth of Levinas's philosophical work and the range of applications to which it has been put, with special attention to clarifying why his interests in the human condition, the crisis of civilization, the centrality and character of ethics and morality, and the very meaning of human experience should be of interest to the widest range of readers.

Dissemination Jacques Derrida, 2021-01-28 Interpretations of Plato, Stéphane Mallarmé, and Philippe Sollers' writings in three essays: Plato's Pharmacy, The Double Session, and Dissemination. The English version of Dissemination is an able translation by Barbara Johnson. Derrida's central contention is that language is haunted by dispersal, absence, loss, the risk of unmeaning, a risk which is starkly embodied in all writing. The distinction between philosophy and literature therefore becomes of secondary importance. Philosophy vainly attempts to control the irrecoverable dissemination of its own meaning; it strives against the grain of language to offer a sober revelation of truth. Literature, on the other hand, flaunts its own meretriciousness, abandons itself to the Dionysian play of language. In Dissemination, more than any previous work, Derrida joins in the revelry, weaving a complex pattern of puns, verbal echoes, and allusions intended to deconstruct both the pretension of criticism to tell the truth about literature and the pretension of philosophy to the literature of truth. The New Statesman     The Methuen Drama Handbook of Interculturalism and Performance Daphne Lei, Charlotte McIvor, 2020-04-02 The Methuen Drama Handbook of Interculturalism and Performance explores groundbreaking new directions and critical discourse in the field of intercultural theatre and performance while surveying key debates concerning

interculturalism as an aesthetic and ethical series of encounters in theatre and performance from the 1960s onwards The handbook's global coverage challenges understandings of intercultural theatre and performance that continue to prioritise case studies emerging primarily from the West and executed by elite artists By building on a growing field of scholarship on intercultural theatre and performance that examines minoritarian and grassroots work the volume offers an alternative and multi-vocal view of what interculturalism might offer as a theoretical keyword to the future of theatre and performance studies while also contributing an energized reassessment of the vociferous debates that have long accompanied its critical and practical usage in a performance context By exploring anew what happens when interculturalism and performance intersect as embodied practice The Methuen Drama Handbook of Interculturalism and Performance offers new perspectives on a seminal theoretical concept still as useful as it is controversial Featuring a series of indispensable research tools including a fully annotated bibliography this is the essential scholarly handbook for anyone working in intercultural theatre and performance and performance studies Thinking Fragments Jane Flax, 2021-01-08 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1990

**Of Grammatology** Jacques Derrida, 1998-03-15 Jacques Derrida's revolutionary theories about deconstruction phenomenology psychoanalysis and structuralism first voiced in the 1960s forever changed the face of European and American criticism The ideas in *De la grammatologie* sparked lively debates in intellectual circles that included students of literature philosophy and the humanities inspiring these students to ask questions of their disciplines that had previously been considered improper Thirty years later the immense influence of Derrida's work is still igniting controversy thanks in part to Gayatri Spivak's translation which captures the richness and complexity of the original This corrected edition adds a new index of the critics and philosophers cited in the text and makes one of contemporary criticism's most indispensable works even more accessible and usable **Jacques Derrida** Marian Hobson, 1998 Front Cover Jacques Derrida Copyright Page Contents Acknowledgements List of abbreviations Introduction 1 Histories and transcendentals Writing and difference Sketching out the foreground writing difference and deconstruction A detour round writing Deconstruction as an articulation of philosophy and history of philosophy Deconstruction and empiricism Empiricism and transcendentalism Writing and universal conditions Universal conditions and historicism The syntax transcendentals and historicity The infinities The two infinities Husserl's Kantian Ideas and historicity Infinity of and in Idea The aporias of the infinite History and absolute infinity 2 Replications Roots and the a priori Writing and the fold Doubles Reflexivity as *mise en abyme* Reflexivity and subjectivity Quotation The doubling of irony Indirect speech Parody of and philosophy The modality of quotation Reiterated modalities 3 Strange attractors singularities Circuits of argument A detour about language Phantasms and fetishes Time constructs

**Writing and Difference** Jacques Derrida, 2001 In the 1960s a radical concept emerged from the great  
French thinker Jacques Derrida He called the new process deconstruction Rewriting the ways in which we use language and  
literature deconstruction affected every form of intellectual thought from literary criticism to popular culture It also  
criticized the entire tradition of Western philosophy from Plato to Bataille The academic community was rocked on a scale  
hitherto unknown with Writing and Difference attracting both accolades and derision Whatever the response deconstruction
