discussion about the driving skills drivers have the most difficulty with when it comes to car control It is not a defensive driving manual although there are not any driving skills available to replace defensive driving skills It is a compilation of years of experience observing students participating in advanced driver training Not from the perspective of what they did not know but from the perspective of what they did not understand about driving because it had never been taught It is an in depth discussion about how we can improve our driving skills and car control skills The discussion examines what actually happens just before and during the driving emergency to the driver and the vehicle We will talk about controversial driving subjects candidly and openly We will discuss why the otherwise excellent driver suddenly freezes up when faced with a potentially life threatening driving situation and what we can do to prevent it happening to us On the pages of this book you will become intimately familiar with your vehicle tires steering wheel Brake and accelerator pedals You will get to know those body chemicals that can drive our muscles to do phenomenal things or shut us down You will get to know your eyes and why their correct use is critical to driver car control Skid control is not just about turning the steering wheel in the direction of the skid Skid control is understanding and thereby anticipating everything there is to know about a skid The discussions on advanced driving techniques follow a philosophy that has been proven on the driving course If I simply tell you how to do something and then let you practice until you get it right you may or may not be able to accomplish that action under extreme excitement fear or duress If I can find a way to help you understand WHY certain skills are essential you will retain that knowledge and find a way to practice it and put it to use There are no simple single acts of car control skill during the driving emergency The acts of steering while braking or mastering the techniques of maximum effective braking are easily accomplished in a controlled environment During the highway driving emergency they are several steps down the list of what needed to happen to avoid or reduce the damaging consequences of a crash On the pages of The Complete Driver we will examine all aspects of advanced driver skill and what we can do to improve our skills on a daily basis and why we must

Learner Drivers Handbook James Duggan,2018-02-22 This Learner Drivers Handbook has been prepared to help

learners pass their DVSA driving test first time The author is a great believer in the maxim What you hear you will forget what you see you will remember and what you do you will learn It uses detailed colour images to follow closely the requirements for learning to drive as laid down by the Driving Vehicle Standards Agency In its various sections it includes the following

- 1 Twelve complete and fully colour illustrated lesson plans covering all the elements which can be tested
- 2 How to get the best out of the lesson plans to ensure success in your driving test
- 3 Over 150 fully detailed colour illustrations each of which focuses on a relevant issue and designed for ease of presentation
- 4 A lesson plan guide with a breakdown of all the diagrams included in each lesson plan

The lesson plans have been set out in a general logical order with a view to going from novice to test standard and beyond However the order in which the plans are presented and the subject matter should be adapted to meet specific needs Like any instructional manual of this type the users should thoroughly familiarise themselves with its content and general layout in order to gain maximum benefit At the back of this book you will see Other Publications by This Author one of which is entitled Easy Lessons for Learner Drivers The content is exactly the same but it is a larger sized edition which some pupils might prefer for home study Many driving instructors have their own version of this book thus ensuring that you are both following the same structured lessons
