Geographies of Gender-Based Violence Hannah Bows, Bianca Fileborn, 2022-09-30 What role does physical and virtual space play in gender based violence GBV Experts from the Global North and South use wide ranging case studies from public harassment in India and Kenya to harassment on Twitter to examine how spaces can facilitate or prevent GBV and showcase strategies for prevention and intervention Students and academics from a range of disciplines will discover how existing research connects with practice and policy developments the current gaps in research and a future agenda for GBV studies

Gender-Based Violence and Religion Amit Anand, Deekshita Das, 2025-04-29 Understanding the intersection of gender based violence and religious beliefs is crucial in today s world This edited volume critically examines how religious doctrines can be misused to justify discrimination and violence against women and girls By exploring these issues through a multidisciplinary lens the book highlights the need for international human rights law to adapt to these complex social and cultural realities Ideal for scholars policymakers and law enforcement officials this book offers a comprehensive overview of the challenges and necessary actions to protect the rights of women and girls It emphasizes the need for a nuanced approach that considers both secular and religious contexts making it a crucial resource for advancing gender equality worldwide

Pioneers of the Global Art Market Christel H. Force, 2020-11-26 By the turn of the twentieth century Paris was the capital of the art world While this is usually understood to mean that Paris was the center of art production and trading this book examines a phenomenon that has received little attention thus far Paris based dealers relied on an ever expanding international network of peers Many of the city s galleries capitalized on foreign collectors interest by expanding globally and proactively cultivating transnational alliances If the French capital drew artists from around the world from Cassatt to Picasso the contemporary art market was international in scope Art dealers deliberately tapped into a growing pool of discerning collectors in northern and eastern Europe the UK and the USA International trade was rendered not just desirable but necessary by the devastating effects of wars revolutions currency devaluation and market crashes which stalled collecting in Europe Pioneers of the Global Art Market assembles original scholarship based on a close inspection of and fresh perspective on extant dealer records It caters to an amplified curiosity concerning the emergence and workings of our unprecedented contemporary centric and global art market This anthology fills a significant gap in the expanding field of art market studies by addressing how initially contemporary art which is now known as historical modernism made its way into collections who validated what by promoting and selling it where and how It includes unpublished material concrete examples bibliographical and archival references and should appeal to academics curators educators dealers collectors artists and art lovers alike It celebrates the modern art dealer as transnational impresario the global reach of the modern art market and the impact of traders on the history of collecting and ultimately on the history of art

Stopping Gender-based Violence in Higher Education Clarissa J. Humphreys, Graham J. Towl, 2022-08-12 Stopping Gender based Violence in Higher

Education provides a unique insight into how gender based violence at universities is impacting students and staff and outlines the path toward tangible changes that can prevent it Bringing together perspectives from academics activists practitioners and university administrators the book presents a diverse range of voices to constructively critique the field Structured in three parts the book begins by addressing the context theory and law that stipulates how universities can effectively respond to reports of gender based violence It goes on to discuss the most pragmatic ways to address the issue while contributing to prevention and supporting victim survivors Finally the book advocates for the development of beneficial working partnerships with key external services available to university communities and also working with students as partners in an ethical and safe way Throughout the book contributors are invited to demonstrate a comprehensive institution wide and trauma informed approach to centre the needs of the victim survivor and prioritize resources to undertake this vital work Each chapter ends with a brief summary of key points or recommendations and suggested further reading on the chapter topic Although the authors draw on research and policy from the UK Higher Education sector the insights will be a useful resource for those in universities around the world This book is an essential reference point and resource for professionals academics and students in Higher Education as well as indispensable reading for activists policymakers police rape crisis groups and other organisations supporting these universities who want to make meaningful change in reducing responding to and preventing gender based violence in Higher Education
