Basic Motivation and Human Behaviour Velibor Bobo Kovac,2016-06-01 This book explores how and why humans are motivated to act in the ways that they do The chapters examine the origins of a given action rather than their superficial appearance which can often be misleading Kovac integrates the existing knowledge of the field of motivation into a greater theoretical framework by adopting both analytical and holistic perspectives This theoretical framework suggests that all human behaviour evolves from the three fundamental underlying tendencies connected to the concepts of control affiliation and self expression that are further modified by the mechanism of balanced dual tension These tendencies are conceptualised as systems of interrelated psychological needs that guide and govern a variety of human actions As such this book should be useful to upper level students and researchers of cognitive and social psychology and all scholars interested in human motivation Psychology, Fourth Edition Peter O. Gray,2002 The new edition of Gray s acclaimed text featuring dramatic new coverage of sensation and perception and new media tools that actively involve students in psychological research

Effective Police Supervision Study Guide Chris Rush Burkey,Larry S. Miller,Michael C. Braswell,2017-03-16 Good police officers are often promoted to supervisory positions with little or none of the training it takes to be a good manager An understanding of group behaviors and organizational dynamics is necessary to grasp the fundamentals of managing police officers The Effective Police Supervision Study Guide coordinates with the core text used in many college level classes and police departments to teach supervisory practices in criminal justice This study guide prepares both students and professionals for academic or promotional exams offering them an opportunity to fully review the material so that they are well prepared for testing This new edition like the new edition of the textbook it accompanies includes information on the following topics police accountability police involvement with news media the challenges of dealing with social media updates on legal considerations and ways to avoid another controversy like Ferguson Dallas or Baltimore
