Historical Dictionary of Nepal Nanda R. Shrestha, Keshav Bhattarai, 2017-02-08 Nepal is a living example of contrasts and contradictions. It is a country that was born in medieval times, grew up in the 16th century and now finds itself engulfed in the high tech gadgets and material marvels of the 21st century. Nepal has its share of problems which include inadequate economic development and social infrastructure, poverty and corruption, plus worsening pollution, but now it finally has relative peace and quiet after a hasty Maoist uprising. Indeed, it has passed through several democratic elections and finally seems to be getting on the right track. This second edition of Historical Dictionary of Nepal contains a chronology, an introduction, appendixes and an extensive bibliography. The dictionary section has over 700 cross-referenced entries on important personalities, politics, economy, foreign relations, religion, and culture. This book is an excellent resource for students, researchers, and anyone wanting to know more about Nepal. Calendar Banaras Hindu University, 1970 **The**

Trinitarian Dharma Pabitra Mani Bhandari, 2025-02-25 As the gospel continues to spread to the farthest corners of the world, the Christian faith encounters an array of diverse cultures, religions, philosophies, and belief systems. This encounter serves as a catalyst for transformation as Christianity both influences and is influenced by the new frontiers it reaches. The book at hand endeavors to explore this dynamic process, particularly focusing on the Trinitarian theology as a potent force for transformation. Moreover, it seeks to uncover the resonance between Christian concepts and the rich tapestry of Dharma, thereby enhancing our understanding of the Trinity. In essence, this book serves as a pivotal example of how abstract theological ideas can be made relevant and meaningful in the context of a multicultural and multireligious world. It embodies an approach to Christian theology that is both interreligious and interdisciplinary, emanating from a global Christian perspective that embraces diversity and dialogue. **Prospects for Tourism in Chhekampar**, 1997 **The Calendar** University of Calcutta, 1919 *Anthropology and Expertise in the Asylum Courts* Anthony Good, 2007-03-12 Offering an analysis of asylum processes in UK courts, this study of asylum as an aspect of globalization focuses on the role of anthropologists as expert witnesses and compares the use of social scientific and medical evidence in decision making.
