

A blue-tinted photograph of an industrial robotic arm in a factory setting. The robot is positioned on the left, with its arm extended towards the center. It is actively welding a metal component, which is held in place by another robotic arm on the right. A bright, orange-yellow flame and sparks are visible at the point of contact between the welding torch and the metal. The background shows a complex industrial structure with various pipes, beams, and lights, all rendered in shades of blue. The overall scene conveys a sense of precision and automation in a manufacturing environment.
