*GCSE English AQA (A) Paper 1 Companion* Neil Mackenzie,2004      **How to Teach** Chris Curtis,2019-07-17 Written by Chris Curtis How to Teach English Novels non fiction and their artful navigation is jam packed with enlivening ideas to help teachers make the subject of English more intellectually challenging for students and to make it fun too Never underestimate your duty and power as a teacher of English English teachers help students to think and feel They prompt them to reflect on their actions They hold a mirror to society and inspire students to see how they can make it better What other subject does that This insightful interpretation of what makes excellent secondary school English teaching is the work of a man whose humility fails to hide his brilliance and provides educators with a sophisticated yet simple framework upon which to hook their lessons Covering poetry grammar Shakespeare and how to teach writing Chris Curtis has furnished every page of this book with exciting ideas that can be put into practice immediately Each chapter presents a store of practical strategies to help students in key areas providing apposite examples teaching sequences and the rationale behind them and has been accessibly laid out so that teachers can pinpoint the solutions they need without having to spend an age wading through academic theory and pontification The book explores the wealth of learning opportunities that can be derived from both classic and more contemporary literature and offers expert guidance on how teachers can exploit their own chosen texts to best effect with their students Furthermore it is replete with ready to use approaches that will help teachers upgrade their lesson planning enhance their classroom practice and ensure that the content they cover sticks in their students heads for months and years afterwards Suitable for all English teachers of students aged 11 18

## **Disciplinary Literacy and Explicit Vocabulary Teaching: A whole school approach to closing the attainment gap** Kathrine

Mortimore,2020-12-15 Firmly rooted in research evidence of what works within the classroom for our most disadvantaged students Disciplinary Literacy and Explicit Vocabulary Teaching offers teachers and school leaders practical ways in which those students who are behind in their literacy capabilities can make excellent progress Building on the work of Geoff Barton in his influential book Don t Call it Literacy Kathrine Mortimore outlines the unique literacy challenges posed by specific subject areas for those with weaker literacy skills and more importantly how these challenges can be addressed and overcome A student s GCSE results are vital in giving them the choices they deserve in order to go on to the next stage of their academic careers This book draws on the success stories of schools and subjects that have made significant improvements in the outcomes of the children they teach regardless of their starting points From the inevitable success of Michaela Community school to the gains made by the English department at Torquay Academy and the rapid reading improvements at Henley Bank this book draws on both whole school initiatives and subject specific strategies which have had proven success This book places a wide and balanced knowledge rich curriculum at the centre of any school improvement strategy designed to improve literacy and illustrates the role that all subjects must combine to play in building the vital

background knowledge and vocabulary that young people need in order to read independently This curriculum must then be delivered using those teaching methods that have had the greatest impact on disadvantaged learners and this book sets out how the methodology of direct and explicit instruction can be adopted within each subject area Alongside this is a useful summary of staff development and inset which offers practical ways in which teachers adoption of these effective strategies can be facilitated There are also useful sections on creating a whole school dictionary of essential vocabulary creating a culture of reading and writing and also those key literacy barriers experienced by those students with some of the most common special educational needs
