Bilingual and ESL Classrooms: Teaching in Multicultural Contexts Carlos J. Ovando, Mary Carol Combs, Virginia P. Collier, 2006 Demographic predictions are that students with close connections to their bilingual bicultural heritages now labeled language minority students by the federal government will be very large in number in the near future becoming the majority in many states over the next three decades The authors feel it is the responsibility of all educators not just specialists to prepare themselves to work with language minority students This time tested classic text not an edited volume integrates theory and practice and provides comprehensive coverage of bilingual and ESL issues The text integrates the fields of ESL bilingual and multicultural education and provides rich examples of effective practices and their underlying research knowledge base and provides an extremely clear and balanced overview of research on teaching in multilingual and multicultural contexts

Bilingual and ESL Classrooms Carlos Julio Ovando, Virginia P. Collier, 1998 The major goal of this book is to take a comprehensive look at research policy and effective practices in U S schools for students

who are from culturally and linguistically diverse backgrounds The demographic predictions are that students with close connections to their bilingual bicultural heritages now labeled language minority students by the federal government will be very large in number in the near future becoming the majority in many states over the next three decades Thus we educators urgently need to provide appropriate meaningful and effective schooling for these students who too often have been underserved by U S schools This book speaks to all educators with the goal of providing rich examples of effective practices and their underlying research knowledge base page xiii *Bilingual and ESL Classrooms: Teaching in Multicultural Contexts* Carlos J.
