Military Review ,2006 Challenges and Prospects in African Education Systems Soji Oni,2013-11-14 Challenges and Prospects in African Education System The general idea this book is trying to disseminate is to inform readers about the compelling challenges and prospects in African system of education As we all know when issues of Africa educational system is raised the first set of thoughts that come to mind is decline in standard deterioration of facilities examination malpractices cult crises or school based violence shortage of teachers underqualified teachers and poor teachers performance which results in poor learning standards lack of classroom discipline that is exacerbated by insufficient resources and inadequate infrastructure failure of appropriate inspection and monitoring and confusion caused by changing curricula without proper communication and training All these have led to massive demoralization and disillusionment among teachers and a negative and worsening perception of African system of education This therefore calls for in depth analysis aimed at tutoring every stakeholder in education on how their action and inactions have individually and collectively contributed to the collapsing state of education in Africa However the prospect is that Africas recovery and sustainable development can only be guaranteed through expansion and sustenance of both quantitative and qualitativeof the continents stock of human capital through education In order for education to realize its key role in development it must be provided to the younger segments of African society as quickly as human and financial resources permit with the ultimate goal of developing a comprehensive meaningful and sustainable system of education at all levels and for all age groups This is the message that this book puts across in the six knitted sections *Combined Arms Center (CAC) Research and Publication Index* , Index to selected publications of the Combined Arms Center **Moroccan Other-Archives** Brahim El Guabli,2023-04-25 Winner 2024 L Carl Brown AIMS Book Prize in North African Studies Honorable Mention 2024 MELA Book Awards Finalist 2024 ASA Best Book Prize Moroccan Other Archives investigates how histories of exclusion and silencing are written and rewritten in a postcolonial context that lacks organized and accessible archives The book draws on cultural production concerning the years of lead a period of authoritarianism and political violence between Morocco s independence in 1956 and the death of King Hassan II in 1999 to examine the transformative roles memory and trauma play in reconstructing stories of three historically marginalized groups in Moroccan history Berbers Imazighen Jews and political prisoners The book shows how Moroccan cultural production has become an other archive a set of textual sonic embodied and visual sites that recover real or reimagined voices of these formerly suppressed and silenced constituencies of Moroccan society Combining theoretical discussions with close reading of literary works the book reenvisions both archives and the nation in postcolonial Morocco By producing other archives Moroccan cultural creators transform the losses state violence inflicted on society during the years of lead into a source of civic engagement and historiographical agency enabling the writing of histories about those Moroccans who have been excluded from official documentation and state sanctioned histories The book is multilingual and

interdisciplinary examining primary sources in Amazigh Berber Arabic Darija and French and drawing on memory studies literary theory archival studies anthropology and historiography In addition to showing how other archives are created and operate El Guabli elaborates how language gender class race and geographical distribution are co constitutive of a historical and archival unsilencing that is foundational to citizenship in Morocco today **Islam** Faisal Fahim,2014-07-27 This book has the pictures of all the positions of performing the prayer There has been an urgent need for a simple and concise guide which teaches the basics of prayer for Muslims This book has been designed for people who don t know how to pray yet or those who aren t sure whether they learned correctly or not In this book you will learn the prayers by reading clear and simple descriptions of what to do The 5 times 5 prayers rewards are equal to 50 prayers Then fifty prayers were enjoined on me I descended till I met Moses who asked me What have you done I said Fifty prayers have been enjoined on me He said I know the people better than you because I had the hardest experience to bring Bani Israel to obedience Your followers cannot put up with such obligation So return to your Lord and request Him to reduce the number of prayers I returned and requested Allah for reduction and He made it forty I returned and met Moses and had a similar discussion and then returned again to Allah for reduction and He made it thirty then twenty then ten and then I came to Moses who repeated the same advice Ultimately Allah reduced it to five When I came to Moses again he said What have you done I said Allah has made it five only He repeated the same advice but I said that I surrendered to Allah s Final Order Allah s Apostle was addressed by Allah I have decreed My obligation and have reduced the burden on My slaves and I shall reward a single good deed as if it were ten good deeds Sahih Al Bukhari 4 429 The Prophet PBUH has said Whoever guides another to a good deed will get a reward similar to the one who performs it Saheeh Muslim Saaiduna Anas Bin Malik Radiallahu Anhu narrates that the Prophet of Allah Sallallahu Alahi Wasalam said Whosoever offers his fajr prayer in congregation then remains seated making zikr of Allah until the sun rises and thereafter offers two rakats they will receive the reward of performing a Hajj and Umrah Sunan Tirmizi There is not one of you who perfects his wudu and prays two rakaat setting about them with his heart as well as his face except that Jannah would be mandatory for him Abu Dawud If the people knew the Reward for the Zuhr prayer in its early time they would race for it If they knew the reward for the Isha and the Fajr prayers in congregation they would join them even if they had to crawl If they knew the re ward for the first row they would draw lots for it Saheeh bukhari The two sunnah rak ats of Fajr are more superior than the world and everything within it Sahih Muslims 1 251 Invite to the Way of your Lord i e Islam with wisdom i e with the Divine Revelation and the Qur an and fair preaching and argue with them in a way that is better Truly your Lord knows best who has gone astray from His Path and He is the Best Aware of those who are guided Quran 16 125 If Allah guides a person through you it is better for you than all that is on the earth Bukhari No 2783 Muslim No 2406 Convey my teachings to the people even if it were a single sentence Sahih Bukhari Vol 4 Hadith 667 Therefore listen not to the Unbelievers but strive against them with the utmost strenuousness with the Qur an 25 52 Quran

And let not the hatred of others make you avoid justice Be just that is nearer to piety Quran 5 8 The Prophet Muhammad said People beware of injustice for injustice shall be darkness on the Day of Judgment Hadrat Abdullah Ibn Masud may Allah be pleased with him said that he enquired of the Prophet may Allah s blessings and peace be upon him what was the best deed in the sight of Allah The Prophet may Allah s blessings and peace be upon him replied To say prescribed prayers at stated hours I asked what was the next best He said To be good to parents I again asked what deed ranked next He said To do Jihad struggle in the way of Allah Bukhari Muslim

[The Calculation of Islamic Prayer Times](#) Harun Acaroğlu,2025* Englische Version This study provides a holistic analysis of Islamic prayer times according to the four sunn schools exploring them from theological astronomical and historical perspectives In the theological analysis the literature of the four schools is studied in detail and all solar phenomena normative in the context of ritual prayer are collected and precisely defined Furthermore the rulings of the four schools concerning the phenomenon of persistent twilight and the absence of prayer times in general are gathered and discussed In this regard several ambiguities related to the genesis of legal rulings provided by early anaf jurists are clarified on the basis of a careful codicological analysis of all works in question The astronomical analysis presents a novel semi automated algorithm tailored to the specific needs of Islamic prayer times In this a particular emphasis is placed on the so called tamk n framework which entails a set of necessary corrections for converting geocentric altitudes to apparent ones The astronomical analysis moreover contains a careful analysis of the correspondence between solar phenomena relevant for Islamic prayer times and solar altitudes To this end an extensive codicological analysis collecting the opinion of more than 400 Islamic astronomers concerning the altitudes associated with the times of the morning and the night prayer is performed together with a discussion of according modern scientific results Finally the usage of the thereby obtained algorithm is exemplified and contextualised through a comparison of the prayer times obtained with the times of the most important German prayer time calendars
