## **Jacqueline Martin English Legal System:**

*The English Legal System* Jacqueline Martin, 2010 Need some help finding your way around the complex English Legal System? Want a reliable source you can learn from, go back to for revision and link to your exams? The English Legal System 6th edition is here to guide you. It's especially useful for students following OCR or WJEC AS Law because it covers all the necessary topics and highlights links to those specifications. On top of that, the breadth of coverage means that students will be able to push for the best grades with this book. That's also why thousands of students every year find it an ideal introductory text for undergraduate and intermediate law courses. Jacqueline Martin's bestselling book has helped over 100,000 students to enjoy and be successful in studying law. She has used diagrams, charts, and activities throughout to clarify difficult concepts and help readers remember the key information for exams.

**English Legal System** Jacqueline Martin, 2014-01-03 Key Facts Key Cases English Legal System will ensure you grasp the main concepts of your English Legal System module with ease. This book explains in concise and straightforward terms: Discussion of the courts system, both civil and criminal; Details of the tribunal system; The doctrine of precedent; Statutory interpretation; Personnel in the legal system, both professional and lay. Key Facts Key Cases is the essential series for anyone studying law at LLB, postgraduate and conversion courses, and professional courses such as ILEX. The series provides the simplest and most effective way to absorb and retain all of the material essential for passing your exams. Each chapter includes diagrams at the start of chapters to summarise key points, structured headings and numbered points to allow for clear recall of the essential points, charts and tables to break down more complex information. Where relevant, chapters also contain a Key Cases section which provides the simplest and most effective way to absorb and memorise essential cases needed for exam success. Essential and leading cases are explained. The style, layout, and explanations are user-friendly. Cases are broken down into key components by use of a clear system of symbols for quick and easy visual recognition.

*Unlocking the English Legal System*, Legal Systems and Skills Scott Slorach, Judith Embley, Peter Goodchild, Catherine Shephard, 2013-07-25 An innovative solution to teaching English legal system and legal skills. *Legal Systems and Skills* provides a holistic and contextual understanding of legal systems and skills, both academic and professional, to underpin and enhance legal studies, providing a foundation for graduate employability both within and outside the legal profession.

*Anti-Money Laundering and the Law* Engin Erken, Umut Turksen, 2024-08-27 This book provides a distinctive and critical analysis of the anti-money laundering (AML) measures that have been put in place in Türkiye and the United Kingdom. The work presents a comparative analysis of if and to what extent the AML regimes in these jurisdictions are fit for purpose in countering some of the most pressing predicate crimes. It investigates the AML regimes relating to tackling the riskiest, most prevalent predicate crimes, that is drug trafficking and tax crimes, thereby filling a significant gap within the current literature. The study provides insights into the effectiveness and efficiency of national AML frameworks adopted by Türkiye and the UK in addressing distinct crimes, thereby identifying

essential features of an optimum AML ecosystem that could effectively address predicate crimes regardless of their nature This novel approach offers a detailed analysis of the law in books and law in practice elements of the AML regimes in T rkiyu and the United Kingdom which will set the tone for conducting similar studies in other jurisdictions The book will be of interest to academics researchers and policy makers working in the areas of Financial Crime Law Enforcement and Comparative Law

*Directive 1999/44/EC and the Smart Regulation: Has the Directive Complied with the Principles of Simplicity and Proportionality Under the Smart Regulation Initiative for Consumers in Germany and England and Wales?*  
Zlatka Koleva,2015-02 Consumption is one of the most influential albeit dynamic economic factors of the 21st century and therefore the legal rules and norms governing consumers are radically changing overtime On European level Directive 1999 44 EC has had a significant impact on the legal systems of member states since its regulatory framework conflicts with well established traditions rooted in the legal history of a country This book will explore how and where the directive s norms clash with national law Germany and England and Wales will serve as examples of two opposite approaches towards its implementation Furthermore the effects of the directive s incorporation into these domestic legal systems will be assessed in the light of the Smart Regulation s normative principles of simplicity and proportionality in order to determine whether it has improved the position of the consumer or legal certainty has been once again undermined
