Jesus The Zealots:

Jesus and the Zealots Samuel George Frederick Brandon, 1967 Zealot Reza Aslan, 2013-07-16 1 NEW YORK TIMES BESTSELLER A lucid intelligent page turner Los Angeles Times that challenges long held assumptions about Jesus Two thousand years ago an itinerant Jewish preacher walked across the Galilee gathering followers to establish what he called the Kingdom of God The revolutionary movement he launched was so threatening to the established order that he was executed as a state criminal Within decades after his death his followers would call him God Sifting through centuries of mythmaking Reza Aslan sheds new light on one of history's most enigmatic figures by examining Jesus through the lens of the tumultuous era in which he lived Balancing the Jesus of the Gospels against the historical sources Aslan describes a man full of conviction and passion yet rife with contradiction He explores the reasons the early Christian church preferred to promulgate an image of Jesus as a peaceful spiritual teacher rather than a politically conscious revolutionary And he grapples with the riddle of how Jesus understood himself the mystery that is at the heart of all subsequent claims about his divinity Zealot yields a fresh perspective on one of the greatest stories ever told even as it affirms the radical and transformative nature of Jesus life and mission Praise for Zealot Riveting Aslan synthesizes Scripture and scholarship to create an original account The New Yorker Fascinatingly and convincingly drawn Aslan may come as close as one can to respecting those who revere Jesus as the peace loving turn the other cheek true son of God depicted in modern Christianity even as he knocks down that image The Seattle Times Aslan's literary talent is as essential to the effect of Zealot as are his scholarly and journalistic chops A vivid persuasive portrait Salon This tough minded deeply political book does full justice to the real Jesus and honors him in the process San Francisco Chronicle A special and revealing work one that believer and skeptic alike will find surprising engaging and original Jon Meacham Pulitzer Prize winning author of Thomas Jefferson The Art of Power Compulsively readable This superb work is highly recommended Publishers Weekly starred review The Covenant Revolt Marcus Raymond Sanford, 2023-05-30 The Covenant Revolt is New Testament background from the Hasidim through to the decisive generation of Jesus It explains how that generation self destructed The Zealot's replacement theology is examined in two key NT passages The reader will find a intriguing sense of tension between Judaizers and Paul as they ghost his ministry The author's conclusions about the role of Luke Acts as a document give a heightened dramatic sense to Paul's insistence on being heard by Caesar Jesus and the zealots : a study of the political factor in primitive christianity S.
