John Denver:

John Denver Charles Morse, Ann Morse, 1974 A brief biography stressing the professional career of singer and songwriter John Denver

John Denver Leonore Fleischer, 1976 A brief biography concentrating on the career of singer and songwriter John Denver

A Mountain in the Wind Christine Smith, 2001 A Mountain In The Wind is an exploration into the spirit of a man who continues to touch deeply the lives of millions worldwide John believed in the oneness of all life and he reached out to all through his music It has been said that in listening to John Denver sing a vibration is felt which reaches deep into the soul and heart of those who are open to the message the message of peace on Earth of caring and sharing with each other as a family of man John Denver is a candle that lights the way His message to us is simple you do what you can do It can be as simple as picking up the litter you see as you walk along the street or to see the beauty of a sunset and share it with your child It doesn't have to be something big yet if each of us does something every day to reach out to those around us we are making a difference There have been numerous print and television media stories about him since his death yet none have delved so deeply into the spirit of John Denver He was more than a singer and songwriter John was a communicator speaking for so many of us through not only his songs but also in the way he lived his life To understand the man we must look at his life closely Whom did he consider his mentors and teachers What were his spiritual beliefs What gave John the strength to continue in the face of his own personal adversities What books did John read A Mountain in The Wind calls to each of us it is more than a biography of John Denver it can also be a blueprint for transformation

John Denver John Collis, 2011-09-30 John Denver was America's biggest selling solo star of the 70s In commercial terms he was on a par with Sinatra in the 40s Elvis in the 50s and the Beatles in the 60s He experimented with a variety of styles and won fans from such diverse worlds as folk pop and country music Beneath the often tranquil surface of his music and his clear clean tenor voice however lurked a darker side to Denver's character The writer of Annie's Song one of the most straightforward and personal expressions of love became a wife beater The man who cavorted with the Muppets was an alcoholic The committed environmentalist had his own plane the most polluting form of transport John Collis has delved deep to discover exactly who John Denver was By unravelling the complexities of the singer's personality and background he reveals Denver as a complicated contradictory man much more intriguing than the sometimes placid surface of his music might suggest Millions of people around the globe found something in his music that touched their souls Collis by charting Denver's career and development as an artist explores his legendary contribution not only to the world of music but also to the society of which he was a protagonist and a victim
