Nayar,2026-02-09 A panoramic history of one of India's greatest pastimes Bollywood through the lens of that nation's distinct brand of secularism Sheila Nayar provides readers an accessible overview of the vast fluid complex that is Bollywood including the off screen politics often driving that complex by chronicling how religious pluralism has been cinematically conceived negotiated played into and politicized From the silent films of the colonial period to the slick blockbusters in the era of globalization and Hindutva Nayar exposes the strategies that have gone into reflecting India's unity in diversity and the threats recurrently embattling that constitutionally enshrined principle If cinema is the barometer of popular attitudes in India what better to measure the public's commitment to its characteristic brand of secularism In this way the book offers no less a compelling box office history of Bollywood than a history of modern India through its films *The art of Self Publishing and Website creation* Premyogi vajra,2021-01-02 This book is a compilation of Premyogi vajra's blog posts that he has created for demystifyingkundalini.com Premyogi vajra is a self-aware and mysterious person With his Kundalini awakening there was a flood of high mentality in his brain Impressed by that he created many books and the above website Regarding his experiences related to book publishing and website making he made them known as his blog posts A separate chapter has been created for each article Readers will surely find this e-book interesting informative and comfortable to read Knowledge sharing is a fundamental tool to grow a society Experience gained without subsequent sharing is of little value It remains confined to a single man and gets perished with him Therefore to be able to properly and easily share one's experiences one must know at least basics of self-publishing and website creation for these are basic modern tools of sharing knowledge Writer had to deal with great deal of hassle while learning self-publishing and website creation He took many years to learn their basic tips So that people do not get suffered like himself he compiled all tips he got while learning these in form of this book Hope that people will find this book brief practical and easy Friends if the art of sharing experiences with everyone is not learned then those experiences would not have special significance Those experiences remain confined to that single man and perish with him In today's times websites and e-books are the most important means of sharing experiences Therefore it is important for everyone to have basic knowledge of website creation and self-publication This book serves very well the same purpose of achieving this goal
