**Behind the Laughs** Michael P. Jeffries, 2017-08-15 Comedy is a brutal business When comedians define success they don't talk about money they talk about not quitting They work in a business where even big names work for free and the inequalities of race class and gender create real barriers But they also work in a business where people still

believe that hard work and talent lead to the big time How do people working in comedy sustain these contradictions and keep laughing In Behind the Laughs Michael P Jeffries brings readers into the world of comedy to reveal its dark corners and share its buoyant lifeblood He draws on conversations with comedians as well as club owners bookers and managers to show the extraordinary social connections professional humor demands Not only do comedians have to read their audience night after night but they must also create lasting bonds across the profession to get gigs in the first place Comedy is not a meritocracy and its rewards are not often fame and fortune Only performers who know the rules of their community are able to make it a career

The Role of Faith and Religious Diversity in Educational Practices DeHart, Jason,2023-08-25 The neglect of faith and religious diversity within educational practices poses a significant challenge in fostering inclusive learning environments The current educational landscape often overlooks the profound impact of religion on individuals identities and beliefs leading to a lack of understanding and appreciation for diverse faith perspectives This omission limits the potential for meaningful dialogue and hinders the development of equitable educational spaces The Role of Faith and Religious Diversity in Educational Practices edited by Jason DeHart offers a compelling solution to address this critical issue This transformative book explores the intersections between faith and educational practices drawing on research based narratives and studies to illuminate the implications of policy and practice through a faith based lens By embracing a broad definition of religion and faith it fosters diverse perspectives and encourages critical reflection on the importance of religious diversity in education Through practical insights and evidence based guidance this book empowers researchers and educators to create inclusive spaces for faith related discussions and develop policies that honor and respect religious identities By engaging with this book scholars and educators can take tangible steps toward cultivating inclusive and enriching learning environments that value and celebrate the diverse religious perspectives of all students

**Books in Print Supplement** ,2002 **Telos** Leonard Sweet,Len Wilson,2022-12-13 Forget everything you think you know about the end and discover how you can start living a better story today no matter what the future holds Are we living through the beginning of the end The end has indeed begun but it is not the special effects explosion many of us imagine For too long we ve gotten the end wrong which leads to poor decisions with dead end consequences To live a better Christian story we need a better vision of the end Telos argues for a new way of looking at the end as the culmination of God s grand story It introduces Jesus most important word in describing the end the Greek word telos Telos is the rhythm of human history the presence of God the plot purpose and completion of the story The end is the kingdom of God and the kingdom is here and now In the book Rev Dr Leonard Sweet and Dr Len Wilson challenge six false endings playing out in the world today which result in tragedy and despair Through an examination of cultural and philosophical trends converging in today s chaotic times Sweet and Wilson show how many of the problems plaguing American Christianity are rooted in bad theology and offer a better definition of God s kingdom the present reality of the presence of God that gives us hope for today and tomorrow Telos will

help you gain An understanding of the philosophical and culture movements that fuel our wrong ideas about the end of the world and the problems they are creating today A new perspective on time past present and future and why God s kingdom is more than a place or singular moment in history A positive vision of the future based on the true meaning of the kingdom of God A new way of engaging culture without culture warring A worldview that empowers you to live with more hope and peace every day even in chaotic times A lot has been written about the kingdom of God but nothing like this This book is an invitation to stop worrying about the future or running yourself ragged trying to build the kingdom and to instead step into the life of the kingdom that is available to you now If you want to know what happens in the end how telos helps us live in the stream of the Spirit and how to live a better story today no matter what the future holds read what may be the most important book of our time
