Show Me The Numbers

Peter Patilla

Show Me The Numbers:

Show Me the Numbers Stephen Few,2012 Information no matter how important cannot speak for itself To tell its story it relies on us to give it a clear voice No information is more critical than quantitative data numbers that reveal what s happening how our organizations are performing and opportunities to do better Numbers are usually presented in tables and graphs but few are properly designed resulting not only in poor communication but at times in miscommunication This is a travesty because the skills needed to present quantitative information effectively are simple to learn Good communication doesn t just happen it is the result of good design
