

The image features a Siemens SIMOTION D motion control system. The hardware consists of a vertical rack of modules. At the top, there are four SINAMICS modules, which are light blue and have warning symbols. Below these are several SIMOTION D modules, which are dark grey. The rack is connected to a network switch at the top with several green Ethernet cables. The background shows a software interface with a tree view on the left and a main workspace with various components and connections. The Siemens logo is prominently displayed in the top left corner.
