The Victoria History of the County of Somerset William Page, Robert William Dunning, 1911 *Memorials of Old Somerset* Frederick John Snell, 1906 Cosmopolitan, 1908 *The Cosmopolitan*, 1908 Temperance Societies in Late Victorian and Edwardian England David M. Fahey, 2020-09-23 By studying the temperance societies that flourished in late Victorian and Edwardian England this book opens a window through which we can view middle class and working class society Such societies provided the backbone for temperance both as a social movement and a political lobby Most temperance societies became aligned with the Liberal Party in support of prohibition by Local Veto A few allowed members to drink but most were committed to total abstinence There were organizations of middle class men of workingmen and their wives of women and of children and youth The largest adult society was affiliated with the Church of England but most societies were identified with Nonconformist denominations Littell's Living Age, 1906 *Not a History of the Dedham Polo Club*, 1907 **Kentucky Off the Beaten Path**® Zoe Strecker, 2015-03-01 Tired of the same old tourist traps Whether you re a visitor or a local looking for something different let Kentucky Off the Beaten Path show you the Bluegrass State you never knew existed Soothe your ailments and your hunger with the healing properties of poke at the Poke Sallet Festival take an expedition through Walt Whitman s vale of the Elkhorn in a canoe or stay in your own personal concrete teepee in Cave City Visit the incredible collection of fossils on display at Big Bone Lick State Park in an area where colossal mammals came to lick salt and sulfur more than 10 000 years ago So if you ve been there done that one too many times get off the main road and venture Off the Beaten Path Sanctuary Elisabeth Edwards, Fionnuala O'Hare, Kath Simmons, 2002-11-15 **The Living Age**, 1906 **Eat More Raw** Steve Charter, 2004 **SELF-HELP TO ISC ECHOES (A COLLECTION OF SHORT STORIES)** Dr. J. Randhawa, Study Material for Echoes A Collection of ISC Short Stories **Herald of the Golden Age**, 1897 *Unearthing Community Happiness* Jan Copley, 2025-05-21 Unearthing Community Happiness creates the link between strong communities and the prevention of violence on our streets and suggests ways in which we can all contribute to creating harmony in a world that sometimes feels overwhelmingly troubled Jan explains how through her life experiences and witnessing other cultures she has come to realise that society s obsession with material things is a damaging force and she demonstrates how that can alter our perceptions of what really matters The ideas she promotes in this book are for changes in direction towards lives which are more people and community focussed If we are open to her thoughts we can all make these changes whether small or large The changes can be as simple as joining a gardening group walking with friends reading to an older neighbour or cooking together It is all about community that often overused word but one which sums up what can lead to happiness for ourselves and for others Unearthing Community Happiness talks of ways in which we can if we are lucky create something out of nothing Jan describes projects with which she has been involved over many years and also projects that have taken off in Wiveliscombe Wellington and beyond What makes most of these initiatives special is that

they are entirely community based with volunteers from all strands of society coming together to help innovate inspire and involve Newcomers to the area speak about the great community they have moved into without perhaps taking on board that it is the people who live here who are making the ideas happen

scholarly interest in conformity to probe inward dilemmas and the spiritual and cultural meanings of pretence Among the dissimulators who appear here are Cardinal Reginald Pole and his circle in Italy and in England and also John Cheke and William Cecil Although Protestant and Catholic polemicists condemned all Nicodemites most of them survived reformation violence while their habits of silence and secrecy became influential This study concludes that widespread evasion about religious belief contributed to the erratic development of toleration Anne Overell is an accomplished practitioner of history as a sideways glance revealing subtleties and contours that others have missed In doing so she enriches the story of the Reformation and helps us see its humanity and nuance more vividly and completely Diarmaid MacCulloch Professor of the History of the Church University of Oxford **Blackwood's Magazine** ,1900
