Toomer was one of the great literary figures from the Harlem Renaissance of the 1920s. His signature work *Cane* is familiar to most people who have studied African American literature. Lesser known to readers is this brilliant work *Essentials* published in 1931. After his success with *Cane*, Toomer disappeared from the literary scene to pursue his own philosophical and psychological inquiries. Toomer sought enlightenment in the teachings of George Gurdjieff. During this time (1924-1935), Toomer published this slim volume offering his attempts to grapple with the experience of what it means to be human. *Essentials* is a collection of Toomer's ponderings in his search for wholeness in a fragmented world. Drawing on modern psychology and eastern religious belief, Toomer falls into the company of Emerson, Thoreau, and Gibran as he deals with that which is transcendent. He revives the use of aphorisms to convey timeless truths in a world which is incapable of moving beyond its limited definitions of life. Long ignored, this work gives us a glimpse of Toomer's metaphysical tendencies. Through it, we capture another alternative view of dealing with reality. It is essential reading for anyone interested in metaphysics, African American literature, and Toomer. It also serves as an example of a Black writer who refused to be limited by definitions of race for his life. Think on his words. Grow in the wisdom shared by a great literary giant of the 20th century. Amazon Review by Bonita L. Davis on November 28, 2000. ***Cane*** Jean Toomer, 2023-05-30. *Cane* is a highly recommended surprising collection of prose, poetry, and drama. Toomer's descriptions of Black America in the 1920s are lyrical, full of beauty and darkness, a great example of American modernist literature. ***Cane*** Jean Toomer, 2023-09-26. Considered a masterpiece of American modernist literature, Jean Toomer's *Cane* calls down through time from the Harlem Renaissance. First published in 1923, *Cane* was unlike anything published before, and in 2023 it remains a necessary alternative to the conventions of literature and publishing. With this 100th anniversary celebration of *Cane*, we reimagine the critical edition as an invitation to wonder, speculate, imagine, and create. We present our beautifully designed, faithful edition of the genre-defying classic along with a deck of striking large-format oracular cards. Black thinkers and makers from across and between creative, scholarly, and community practices have convened for this project. They offer their insights in the form of prompts, gestures, images, questions, calls to respond, each presented on a card paired with an evocative, timeless quote from *Cane*. Readers can use the deck and book together for insight into *Cane* or can use the cards on their own for creative inspiration and insight into themselves. Included in *Cane: A New Critical Edition*. Our beautifully designed, faithful edition of *Cane* by Jean Toomer. A boxed deck of 50 large-format oracular cards. A companion booklet with more insights into the book and cards, information about contributors, and an index of the book's images, ideas, and themes. [Jean Toomer's Cane](#) Paschal Jay Collins, 1978. *Teaching Jean Toomer's 1923 Cane* Chezia Thompson-Cager, 2006. *Cane*, one of the major works of the Harlem Renaissance and Jean Toomer's imagist masterpiece, is now a part of the canon in Afro-American literature. *Teaching Jean Toomer's 1923 Cane* is a unique literary tool that explores the brilliance and far-sighted vision of Toomer, allowing *Cane* to be taught holistically as a discovery process using the blues motif and the poetic essay. This book's text and figures ground a

discussion of Cane's enigmatic and figurative language connecting the Harlem Renaissance to the Negritude Movement and to later Afro-centric literary movements. This book also reviews P. B. S. Pinchback's legacy as a non-Negro able to pass easily in white society, the influence of Ouspensky, H. L. Menckens critical work *The Paris Brotherhood* and *Saccharum officinarum*. G. Like the lunar arcs dividing Cane, the book works as an instructional map. The pictures from the first complete production also tell a remarkable story.

Young, 2024-08-23 *The Roots of Cane* proposes a new way to read one of the most significant works of the New Negro Renaissance. Jean Toomer's *Cane* rather than focusing on the form of the book published by Boni and Liveright, what Toomer would later call a single textual organism. John Young traces the many pieces of *Cane* that were dispersed across multiple modernist magazines from 1922 through 1923. These periodicals ranged from primarily political monthlies to avant-garde arts journals to regional magazines with transnational aspirations. Young interweaves a periodical studies approach to modernism with book history and critical race theory, resituating Toomer's uneasy place within Black modernism by asking how original readers would have encountered his work. The different contexts in which those audiences were engaging with Toomer's portraits of racialized identity in the Jim Crow United States yield often surprising results.
