

The diagram illustrates the interaction between a spacecraft and its environment. On the left, a satellite is shown in orbit. Three horizontal arrows point from the satellite towards the right, representing the flow of the environment. On the right, a cross-section of the spacecraft is shown with a complex internal structure. The environment is depicted as a series of curved lines that flow around the spacecraft, indicating the formation of a bow shock and the interaction of the spacecraft with the surrounding plasma or gas.
