\*) The table of contents comes between your abstract and your introduction. It should be written in the same font and size as the rest of your text (usually 12pt Times New Roman). At the top of the page, write **Contents**, centered and in bold. In APA Style, you can use up to five levels of heading, each with its own formatting style. In the table of contents, you should include all level 1 and 2 headings, left-aligned and formatted as plain text. Level 2 headings are indented. Including lower-level headings in the table of contents is optional. Add an additional indent for each level. If you have a lot of headings in your text, you may not be able to include them all—your table of contents should not be more than two pages long in total.
