(Introducing Sociology) (Chapter – 1) (Sociology and Society) (Exercises)

(Class – XI)

Question 1:

Why is the study of the origin and growth of sociology important?

Answer 1:

The study of origin and growth of societies are important in sociology to know several personal and social issues.

- England was the centre of commercial revolution. The understanding of how urbanisation or factory production influenced all modern societies is incredibly important.
- Sociology of India reflects origin and growth of individuals, social institution and their problems.
- Indian history is stuffed with imperialistic invasions. In India there has been an extended past of feudalism, capitalism and colonialization.
- Indian history associated with political, social or cultural domains is written by foreigners and so it's off from truth.
- Basically it's biased. Therefore, Sociology of India is additionally biased. Presently Indian society will be understood in its complexity of tradition which are influenced by Turks, Mongols, Kushan, Afghans and Britishers and therefore the influence of modern world. Indian sociology may be a complex product of its history.

Therefore, the study of the origin and growth of society is vital for sociology.
