Faith and Confession Study Guide Charles Capps,2017 *Faith and Confessions* Charles Capps,1992-05-01 In this profound look at the Scripture Charles Capps reveals how to release God's goodness in your own life He clearly outlines that speaking the truth of God's Word even when times are tough works together with our faith to bring victory every time Confessing what God said in His Word out of a heart full of faith will bring God's supernatural intervention The balance of faith and confession working together is essential for living the abundant life that God has promised **Bold Faith** Ben Pugh,2017-03-09 Bill Johnson Joyce Meyer Heidi Baker The fame of these names is evidence enough that though the controversies are less intense the Charismatic Movement is alive and well today It continues to attract thousands of adherents who find its vision of a supernatural lifestyle uniquely compelling Now for the first time all that is most theologically innovative about the movement is synthesized into five distinct and original ideas These five brand new theologies have been created not by theologians but by practitioners who believed their concepts were inspired by the Spirit Inner Healing Shepherding Word of Faith Spiritual Warfare and Signs and Wonders Plenty of studies have been written by Pentecostal scholars about Pentecostal theology but these tend to group the very distinct approaches of Charismatics together with Classical Pentecostals **Bold Faith** aims to analyze and evaluate the ways in which practitioners within independent Charismatic networks especially in their Anglo American expressions have responded to the challenges of secular modernity *The Preachers of a Different Gospel* Femi B. Adeleye,2017-02-07 Name it and claim it Just have faith Give and you will get Catchphrases like this have convinced many Christians that trusting in God will bring health and wealth But the gospel does not promise prosperity without pain or salvation without sanctification Femi Adeleye draws on his wide ranging experience as he examines the appeal and peril of this new gospel of prosperity that has made deep inroads in Africa as well as in the West **Faith and Confession** Charles Capps,1987 **The Word-faith Controversy** Robert M.
