**Continuum Encyclopedia of Animal Symbolism in World Art** Hope B. Werness,2006-01-01 Animals and their symbolism in diverse world cultures and different eras of human history are chronicled in this lovely volume Heaven Awaits the Bride Anna Rountree,2007 While staying at a cabin in the mountains Anna Rountree was caught up in a tremendous vision of heaven While there she was met and taught by the angels around her and Jesus Himself who then commissioned her to share her vision with the world publisher **Let My People Live** Kenneth N. Ngwa,2022-04-12 Let My People Live reengages the narrative of Exodus through a critical life affirming Africana hermeneutic that seeks to create and sustain a vision of not just the survival but the thriving of Black communities While the field of biblical studies has habitually divided objective interpretations from culturally informed ones Kenneth Ngwa argues that doing interpretive work through an activist culturally grounded lens rightly recognizes how communities of readers actively shape the priorities of any biblical interpretation In the Africana context communities whose identities were made disposable by the forces of empire and colonialism both in Africa and in the African diaspora across the globe likewise suffered the stripping away of the right to interpretation of both sacred texts and of themselves Ngwa shows how an Africana approach to the biblical text can intervene in this narrative of breakage as a mode of resistance By emphasizing the irreducible life force and resources nurtured in the Africana community which have always preceded colonial oppression the Africana hermeneutic is able to stretch from the past into the future to sustain and support generations to come Ngwa reimagines the Exodus story through this framework elaborating the motifs of the narrative as they are shaped by Africana interpretative values and approaches that identify three animating threats in the story erasure undermining the community's very existence alienation separating from the space of home and from the ecosystem and singularity holding up the individual over the collective He argues that what he calls badass womanism an intergenerational and interregional life force and epistemology of the people embodied in the midwives Miriam the Egyptian princess and other female figures in the story have challenged these threats He shows how badass womanist triple consciousness creates and is informed by communal approaches to hermeneutics that emphasize survival over erasure integration over alienation and multiplicity over singularity This triple consciousness surfaces throughout the Exodus narrative and informs the narrative portraits of other characters including Moses and Yahweh As the Hebrew people navigate the exodus journey Ngwa investigates how these forces of oppression and resistance shift and take new shapes across the geographies of Egypt the wilderness and the mountain area preceding their passage into the promised land For Africana these geographies also represent colonial global and imperial sites where new subjectivities and epistemologies develop *Handbook to the Pentateuch* Henry Charles Batterbury,1904 **The Methodist Quarterly Review** ,1868 *The Oxford Handbook of the Bible in Early Modern England, c. 1530-1700* Kevin Killeen,Helen Smith,Rachel Judith Willie,2015-08-27 The Bible was by any measure the most important book in early modern England It
