Divine Liturgy Of St John Chrysostom English Only:

The Divine Liturgy of St. John Chrysostom Anastasios Raptis,2014-03-01 The purpose of this book is to provide more than a translation but an interpretation from the original and rich writings of the Divine Liturgy of St John Chrysostom It can provide a better understanding of the liturgical aspects of the most used service in the Orthodox Church particularly for Spanish speaking people who desire to come closer to the understanding of our services May this can provide some help in their quest to come closer to the Divine Liturgy formed and written in the 4th century

The Divine Liturgies of Saint John Chrysostom and Saint Basil the Great Ss John Chrysostom and Basil the Great,2015-03-20 Published by the Institute for Orthodox Christian Studies Cambridge this translation into modern English is of the two major Liturgies of the Orthodox Church that of St John Chrysostom died 407 A D which is used on most occasions when the communion is celebrated and the fuller Liturgy attributed to St Basil the Great died 379 A D now used on 1 January the Feast Day of the Saint on the first five Sundays of Great Lent and on Holy Saturday Both liturgies express the essence of the Orthodox Christian faith and have been in use since the early centuries of the Christian era St Basil s Liturgy was for many centuries the most used that of St John Chrysostom taking priority only in the early medieval period Though both have had material added to them recent scholarship by comparing phrases and expressions in the liturgies with works undoubtedly by the two saints have established that the traditional attributions are likely to be correct These two translations into modern English were first commissioned by Archbishop Gibran Ramlawi for the Antiochian Orthodox Archdiocese of Australasia to meet a need expressed by the youth of the archdiocese for an elegant and intelligible translation of the services into a modern English that worshippers and visiting friends from varied ethnic backgrounds might find comprehensible and moving On the publication of the St John Chrysostom Liturgy in its modern version Philip Tovey in his review for NEWS OF LITURGY wrote This English version of the Orthodox Liturgy is done by David Frost to the high standard we might expect It is a fresh translation which brings the liturgy to life Indeed the move to good Modern English shows the Orthodox Liturgy to be something living rather than looking like a fossil This translation is another great help in our appreciation of the Divine Liturgy This collection also contains translations of the short hymns troparia and kontakia that are used on the Sundays and Great Feasts of the Church s year The text is intended as the foundation English version to be used in a project of the Institute for Orthodox Christian Studies Cambridge to provide parallel texts of the Liturgy for use in the various ethnic Orthodox Churches in Great Britain whereby texts authorized by each Church can be paired with a common English translation of quality that can establish itself as a version familiar to all Orthodox who are bi lingual and which will be acceptable to those from ethnic Churches who wish to worship in the language of their adopted country
