**The Most Important Thing** Adyashanti,2019-01-01 From esteemed teacher Adyashanti a collection of writings on the search for the ultimate reality beneath the narrative of our lives Our inner lives are every bit as astonishing baffling and mysterious as the infinite vastness

of the cosmos Adyashanti We all define our lives through the lens of stories Whether we see ourselves as heroes or victims good people or bad everyone lives according to interwoven strands of narrative And yet teaches Adyashanti the truth is bigger than any concept or story Drawn from intimate deep dive talks The Most Important Thing presents writings devoted to the search for the ultimate reality of a self that exists beyond the bounds of storytelling Here you will find vivid anecdotes and teaching stories that illuminate the felt experience of Adyashanti's teachings those moments of grace in which every stone tree ray of light and fraught silence reveal that none of us is alone and no one is ever truly isolated from the whole of existence These selections consider Exploration of the true meaning of birth life and death Why grace can arrive both through struggle and as an unexpected gift Meditation as the art of listening with one's entire being Why a good question can be far more powerful than a concrete answer How the things you choose to serve shape your life Discovering the wisdom found in surprise sadness and uncertainty Embodying your innate and inextricable connection with the total environment The nature of ego and the ways it manifests The moments of grace upon which all great religions pivot What is the story of your life Is it happy or adventurous Sad or lonely In The Most Important Thing Adyashanti shows you how to look past your personal narratives delve inward and connect with the truths that fundamentally animate all of us *The Direct Way*

Adyashanti, 2021-04-06 Join renowned spiritual teacher Adyashanti for a practice based journey out of the thinking mind and into the awakened awareness beyond perceptual reality For renowned teacher Adyashanti every single moment contains a doorway into spiritual awakening But what does it actually mean to wake up to the truth of reality And what does it take to recognize these opportunities In The Direct Way Adya as his students call him offers a sequence of thirty practices intended to connect with and cultivate ever greater awareness of the unseen dimensions of your being From the simple expression of I am to an exploration of the Spiritual Heart and all the way into the fundamental Ground of Being these exercises emphasize that the process of awakening takes many small glimpses experienced many times Adya concludes with practical pointers on how to integrate transcendent experiences into the everyday fabric of life including your career personal goals and intimate relationships Here you will discover How to dis identify from conceptual ego based thinking Perceiving the ego as a tool to navigate consciousness rather than an obstacle The knowing yet empty quality of foundational awareness The surprising route to realizing awareness of the Spiritual Heart Feeling through the Spiritual Heart as a way to experience true interconnection The meaning of the Zen teaching phrase This very body is the Buddha Exploring the exhilarating paradox of Being and Becoming How to establish anchor points to stabilize your journey into the Ground of Being What it means to live each day with enlightened relativity How awakening puts control of your experience in your hands but also the responsibility for it No one experiences awakening quite the same With The Direct Way join Adya to discover pathways toward an awareness as wide as the sky and as personal as your innermost heart Emptiness Dancing Adyashanti, 2006-05-01 There is something about you brighter than the sun and more mysterious than the night sky Who are you when you are not thinking

Adyashanti,2010-06-01 More and more people are waking up spiritually And for most of them the question becomes Now what Information about life after awakening is usually not made public explains Adyashanti It s most often shared only between teachers and their students The End of Your World is his response to a growing need for direction on the spiritual path Consider this Adyashanti s personal welcome to a new world a state of oneness Adyashanti begins by describing the I got it I lost it phenomenon that perplexes so many of his students the fluctuation between what he calls nonabiding awakening and the ultimate state of abiding enlightenment With straight talk and penetrating insight Adyashanti then points out the pitfalls and cul de sacs that un enlighten us along the journey including the trap of meaninglessness how the ego can co opt realization for its own purposes the illusion of superiority that may accompany intense spiritual breakthroughs and the danger of becoming drunk on emptiness Full awakening comes when you sincerely look at yourself deeper than you ve imagined and question everything teaches Adyashanti The End of Your World is your invitation to join Adyashanti for an honest investigation of what you really are and how to live once you discover it *True Meditation* Adyashanti,2006-11-01

What would happen if you were to allow everything to be exactly as it is If you gave up the need for control and instead embraced the whole of your experience in each moment that arose In the 14 years that he studied Zen Adyashanti found that most seasoned meditators had used the practice as an end instead of a means to an end What he ultimately realized was that only when you let go of all techniques even the concept of yourself as a meditator will you open to the art of True Meditation dwelling in the natural state True Meditation invites you to join the growing number of seekers who have been touched by the wisdom of Adyashanti to learn How to make the effortless effort that will vivify the present moment Meditative self inquiry and The Way of Subtraction how to ask a spiritually powerful question and determine the real answer Two guided meditations on CD intended to reveal what Adyashanti calls your home as awareness itself We ve been taught that awakening is difficult explains Adyashanti that to wake up from the illusion of separation takes years But all it really takes is a willingness to look into the depths of your experience here and now True Meditation gives you the opportunity to reclaim the original purpose of meditation as a gateway to the objectless freedom of being Resurrecting Jesus Adyashanti,2014-04-01 For almost two millennia the story of Jesus has shaped the lives of countless people Yet today even though the majority of us grew up in a
