*Speed Reading: Comprehensive Beginners Guide to Learn the*

*Simple and Effective Methods of Speed Reading* Robert Thomson,2019-03-27 Reading is an important part of our lives Whether you have read articles books magazines or any other text for school work or even pleasure it s a skill we have learned when we were young And the great thing about reading is that it helps us learn new things and expand our knowledge So imagine how much more you can learn if you are able to read at a faster rate while still being able to understand what you have read This skill is known as speed reading This is a skill for people who want to optimize their lives and keep making themselves better Speed reading allows you to learn at a faster rate which also means that you will learn more in a shorter amount of time It s one of the skills learned by those who are always on the path to self improvement Once you have mastered speed reading learning may come a lot easier Of course learning how to speed read is a process in itself Speed reading doesn t just mean getting through the text with the quickest possible time you also have to understand what you have read and recall all of the most important parts In this book you will learn all about speed reading From what it is how it works to how you can learn it and make it part of your skill set there s a lot for us to cover By the end of this book you should have all the information you need to start learning and honing this skill to achieve mastery

[Speed Reading for Beginners](#) Alexa Grey,2017-12-23 Very few believe that they can learn to read much faster and that speed reading is not some kind of trick or a supernatural event but quite ordinary ability to perceive information with greater speed and quality than usual This can be taught practically to everyone For each person learning to read begins with recognition of letters then syllables over time our vision is already able to cover whole words and make up sentences from them Such a technique is enough to read about 300 words per minute but in the modern world in the face of a huge amount of information and knowledge one should not only be able to read but do it as quickly and efficiently as possible Many people can read but not many people know how to speedread Speed reading is an ability to read at least 3 4 times faster without worsening understanding of the material Those who have fully mastered the skills of this technique improve their reading speed by several times and often more Among the advantages of speed reading is the ability to increase the amount of memorized text save time on its study develop attention and significantly speed up the thought processes Human brains are used to working and responding quickly and speed reading is no more complicated than many others tasks it undertakes daily The need for rapid reading every day is felt more and more Reading business correspondence turned into torture and students have difficulty in digesting the entire volume of information they are presented with If you are a student or your job is connected with processing a large amount of information or maybe you just want to read a lot of books in a short time and have time for other things then speed reading is for you There are many other reasons why developing speed reading skills can dramatically change your life In this book we will cover the following topics What is Speed Reading Why Should You Learn Speed Reading Speed Reading Techniques Speed Reading and Memory Development Speed Reading Exercises Speed Reading Mistakes
