Character Education in America's Blue Ribbon Schools Madonna Murphy, 2002-07-09 Character Education in America's Blue Ribbon Schools is based upon descriptive documentary and qualitative research conducted on the award winning school applications in the United States Department of Education's Elementary School Recognition Program i.e. the Blue Ribbon Schools The purpose of the program is to focus national attention on schools that are doing an exceptional job with all of their students Areas studied are developing a solid foundation of basic skills and knowledge of subject matter and fostering the development of character values and ethical judgment The first edition of this book reported on the first decade of this program from 1985 to 1994 The second edition adds the schools that have won the award from 1996-2001 Included are the Blue Ribbon schools that applied for Special Honors in Character Education and five that actually won that recognition in 1998-1999 This edition finds character education much stronger in American schools in recent years and is full of many promising practices It is a practical book that will guide school administrators teachers parents board members and concerned citizens interested in starting or strengthening the character education focus of their school

The SAGE Encyclopedia of Classroom Management W. George Scarlett, 2015-02-24 A teacher's ability to manage the classroom strongly influences the quality of teaching and learning that can be accomplished Among the most pressing concerns for inexperienced teachers is classroom management a concern of equal importance to the general public in light of behavior problems and breakdowns in discipline that grab newspaper headlines But classroom management is not just about problems and what to do when things go wrong and chaos erupts It's about how to run a classroom so as to elicit the best from even the most courteous group of students An array of skills is needed to produce such a learning environment The SAGE Encyclopedia of Classroom Management raises issues and introduces evidence based real world strategies for creating and maintaining well managed classrooms where learning thrives Students studying to become teachers will need to develop their own classroom management strategies consistent with their own philosophies of teaching and learning It is hoped that this work will help open their eyes to the range of issues and the array of skills they might integrate into their unique teaching styles
