Faserland Christian Kracht, 2015-01-22 *Christian Kracht's Aesthetics* Susanne Komfort-Hein, Heinz Drügh, 2023-07-07 The contributions to this volume are devoted to Christian Kracht's aesthetics under two main aspects On the one hand with regard to sometimes irritatingly twisted actualizations of that self reference and reservation which since Kant is to be evaluated as a central mode of the aesthetic on the other hand with regard to interferences with areas that are usually perceived as extra aesthetic but which can be evaluated as ferments of contemporary aesthetics Stagings in the field of the literary establishment the aesthetic under media and market conditions and in the focus of canonization and criticism Kracht's Frankfurt Poetics Lectures which were intensively commented on by the media form the background to this discussion
