Roma/Gypsies: A European Minority Jean-Pierre Liégeois, Nicolae Gheorghe, 1995-10-01 The Roma Gypsy community has been persecuted in Europe throughout history whether through banishment Roma Gypsy hunts or the Roma Gypsy Holocaust of the twentieth century Roma Gypsies A European Minority charts the course of these events on the Roma Gypsy consciousness and examines current day policies of exclusion containment and assimilation whilst also considering the position of Roma Gypsy communities in Eastern and Central Europe in the wake of the fall of communism The authors Jean Pierre Li geois and Nicolae Gheorghe renowned experts on this subject discuss European and international institutions responses to the growing sense of shared identity that exists among Roma Gypsy people highlighting the achievements that have been made to date and outlining the many issues still to be resolved To this end Roma Gypsies A European Minority concludes with a set of recommendations concerning identity non discrimination equality asylum participation education and self designation arguing that a European wide integrated approach to these issues is long overdue Please note that the terminology in the fields of minority rights and indigenous peoples rights has changed over time MRG strives to reflect these changes as well as respect the right to self identification on the part of minorities and indigenous peoples At the same time after over 50 years work we know that our archive is of considerable interest to activists and researchers Therefore we make available as much of our back catalogue as possible while being aware that the language used may not reflect current thinking on these issues

Celebrating Flamenco's Tangled Roots K. Meira Goldberg, Antoni Pizà, 2022-01-18 This collection of essays poses a series of questions revolving around nonsense cacophony queerness race and the dancing body How can flamenco as a diasporic complex of performance and communities of practice frictionally and critically bound to the complexities of Spanish history illuminate theories of race and identity in performance How can we posit and argue for genealogical relationships within and between genres across the vast expanses of the African and Roma diaspora Neither are the essays presented here limited to flamenco nor consequently are the responses to these questions reduced to this topic What all the contributions here do share is the wish to come together across disciplines and subject areas within the academy and without in the whirling raucous and messy spaces where the body is free to celebrate its questioning as well as the depths of the wisdom and knowledge it holds and sometimes reveals
