Ancient Egypt in the Modern Imagination Eleanor Dobson, Nichola

Tonks,2020-01-23 Ancient Egypt has always been a source of fascination to writers artists and architects in the West This book is the first study to address representations of Ancient Egypt in the modern imagination breaking down conventional disciplinary boundaries between fields such as History Classics Art History Fashion Film Archaeology Egyptology and Literature to further a nuanced understanding of ancient Egypt in cultures stretching from the eighteenth century to the present day emphasising how some of the various meanings of ancient Egypt to modern people have traversed time and media Divided into three themes the chapters scrutinise different aspects of the use of ancient Egypt in a variety of media looking in particular at the ways in which Egyptology as a discipline has influenced representations of Egypt ancient Egypt s associations with death and mysticism as well as connections between ancient Egypt and gendered power The diversity of this study aims to emphasise both the multiplicity and the patterning of popular responses to ancient Egypt as well as the longevity of this phenomenon and its relevance today

Horror Comics in Black and White Richard J. Arndt,2013-01-21 In 1954 the comic book industry instituted the Comics Code a set of self regulatory guidelines imposed to placate public concern over gory and horrific comic book content effectively banning genuine horror comics Because the Code applied only to color comics many artists and writers turned to black and white to circumvent the Code s narrow confines With the 1964 Creepy 1 from Warren Publishing black and white horror comics experienced a revival continuing into the early 21st century an important step in the maturation of the horror genre within the comics field as a whole This generously illustrated work offers a comprehensive history and retrospective of the black and white horror comics that flourished on the newsstands from 1964 to 2004 With a catalog of original magazines complete credits and insightful analysis it highlights an important but overlooked period in the history of comics

From Hell: Master Edition #2 Alan Moore,2018-12-12 Five unsolved murders Two of the greatest creators in the history of comics One sprawling conspiracy one metropolis on the brink of the 20th century and one bloody minded Ripper ushering London into the modern age of terror The award winning bestseller FROM HELL often ranked among the greatest graphic novels of all time takes on haunting new dimensions in FROM HELL The Master Edition enhanced with impressionistic hues by Eddie Campbell himself This volume contains chapters 2 and 3 as well as all of the original annotations

(Re)telling Ripper in Alan Moore's From Hell Megan Alice Smida,2010 When Alan Moore began his work on From Hell in the 1980s the popular conception of the graphic novel as low brow art still reigned The inclusion of extensive annotations as an appendix to the novel providing references and explanations in a manner that reflects academic conventions attempts to situate his novel as not merely a creative fictionalization of the Ripper murders but as a genuine scholarly hypothesis as to the identity and motive of the killer His hypothesis is so fantastic however that it nearly demands to be dismissed as pure conspiracy theory Conflicting notions of scholarship and conspiracy raise questions about the abilities of narrative historiography to provide insight into the past Moore grapples with issues of research and myth building in a second graphic appendix and the two appendices work together examining the limitations of

academic discourse as a whole and its ability to provide clear cut answers to historical events

Alan Moore's A Small Killing Alan Moore, Oscar Zarate, 2003-09-01 One of the classic Alan Moore works is finally back in print with totally remastered artwork and lettering Adman Timothy Hole has everything going for him and has now been handed the biggest assignment of his life marketing a major cola in Russia But his smooth life begins to unravel as he is stalked by a demonic child that makes him question not just who he is but how he really affects those around him It is about the little murders that we all have to make each day just to get by The little assassinations of tiny things Really how much damage can be done by a small killing As an added bonus this graphic novel includes new commentary articles by both Alan Moore and the artist Oscar Zarate

[The Demon: Hell's Hitman](#) Garth Ennis, 2015-12-29 Garth Ennis and artist John McCrea's legendary run featuring the origin and first adventures of their acclaimed super powered assassin Etrigan For nearly two thousand years Jason Blood has served as a living host for the demon Etrigan In return for his longevity he must bear the burden of unleashing Etrigan against any Earthly incursions from his fellow Hell spawn and their mortal collaborators as well as watching the innocent and guilty alike suffer his all consuming wrath On the mean streets of Gotham City however the innocent are in short supply Corruption oozes from every corner and the rotten fruit that it bears is too great a temptation for the denizens of the underworld to resist no matter what the laws of God or man command Such defiance cannot go unpunished Luckily one fiery fiend stands ready to strike back and restore the balance of terror freshly commissioned by the lords of the damned as HELL S HITMAN Collects THE DEMON 40 and 42 49 together with THE DEMON ANNUAL 2

Comics through Time M. Keith Booker, 2014-10-28 Focusing especially on American comic books and graphic novels from the 1930s to the present this massive four volume work provides a colorful yet authoritative source on the entire history of the comics medium Comics and graphic novels have recently become big business serving as the inspiration for blockbuster Hollywood movies such as the Iron Man series of films and the hit television drama The Walking Dead But comics have been popular throughout the 20th century despite the significant effects of the restrictions of the Comics Code in place from the 1950s through 1970s which prohibited the depiction of zombies and use of the word horror among many other rules Comics through Time A History of Icons Idols and Ideas provides students and general readers a one stop resource for researching topics genres works and artists of comic books comic strips and graphic novels The comprehensive and broad coverage of this set is organized chronologically by volume Volume 1 covers 1960 and earlier Volume 2 covers 1960 1980 Volume 3 covers 1980 1995 and Volume 4 covers 1995 to the present The chronological divisions give readers a sense of the evolution of comics within the larger contexts of American culture and history The alphabetically arranged entries in each volume address topics such as comics publishing characters imprints genres themes titles artists writers and more While special attention is paid to American comics the entries also include coverage of British Japanese and European comics that have influenced illustrated storytelling of the United States or are of special interest to American readers
