Sissy Maid Training:

Sissy Maid School Part II Mistress Dede, 2015-01-26 Welcome to Course Two of your sissy maid training academy By now you should be incorporating some of your sissy maid duties that you learned from Course One into practice throughout your daily life So far you have learned the proper way a sissy maid dresses how to properly curtsy to your Mistress Master and the proper way a sissy maid cleans her dishes You are well on your way to making your dreams of becoming a proper little sissy maid a reality In Course Two you are going to be learning how to have a tea service the proper way to dust your house cleaning the bathroom like a real sissy maid how to properly set a table for dinner and much more After this course you will have plenty of daily weekly and monthly sissy maid tasks to work on Course Two should not only help you become more effeminate but it should also serve as a reference guide during your entire sissy transformation Training of Sissy Maid Fanny Delaware Constance (author), 1901 **The Leather Daddy and the Femme** Carol Queen, 2013-04-05 It's another night in San Francisco and Miranda aka Randy when she's not dressed like a boy has hit the streets looking for trouble She has an eye for gay men in leather and most nights she's too much of a girl for them But tonight she meets her match Jack who thinks she's hot no matter who she is This is San Francisco's notorious SOMA of the 1990s home to dark alleys tastefully appointed dungeons hotel penthouses clubs where gender dissolves and reshapes In this bygone sexual utopia Randy Miranda embraces desires beyond gender and orientation beyond what she ever thought she could contain A FIRECRACKER ALTERNATIVE BOOK AWARD WINNER FOR BEST FICTION **Cally and Missy, Three M** MISSY, 2013-03-26 Well I can sure say that my life did not turn out the way I expected My life did not turn out how anyone would expect I never thought that I would commit a crime and get arrested but I did I never thought that I would end up being a shemale sissy maid but I did I never thought that I would fall in love with and marry a lesbian but I did I never thought that I would live my life as a submissive to a dominate Lady but I do I never thought that I would become an attorney and save the innocent from going to prison but I have I never thought that I would be able to look at someone and ask a few questions and know what was wrong with them and save their life but I have several times I never thought that I would infiltrate the Russian Mob and save the lives of 39 young ladies but I did I never thought that I would be in a position to help the FBI Interpol and Lloyds of London solve kidnapping crimes but I have I never thought that I would become a psychologist but I have I never thought that I would marry a financial genius that would make me almost 50 million dollars in less than 4 years but I did I never thought that my life would be so diverse and exciting in many different ways but it is Just in the past 6 weeks alone I have saved the life of Molly my mother in law I saved a family of 11 from needing to sell 10 of their kidneys just to survive I calmed the minds and hearts of Mindy Toni Sabrina and Cally concerning the newest member of our unusual family concerning the arrival of a real dominate ALPA male who Ally brought home and fell in love with I was working with the FBI Interpol and Lloyds of London in solving the kidnapping of 8 men I took on a criminal case involving Ally's new Love whereas he was

arrested for caning a young lady in a BDSM relationship This case will become very interesting in the future but it concerns everyone who practices any part of BDSM you will want to stay tuned for this outcome I got to make love to one of the smartest the most pretty the most Lady the intelligent Cally my wife Just thinking about how much I love Cally brings tears to my eyes I am the luckiest shemale sissy maid in the entire world **CALLY AND MISSY, TWO M MISSY, 2013-02-21** I guess this is a good place to end this book as once again you are caught up with the most unusual life that Cally and I share with our unusual family However once again my life with Cally never seems to be dull anymore In fact my life with Cally has never been dull it is just more exciting since we got married almost a year ago Milly has been progressing very well as her sissy maid self under the direction of Miss T As well Molly seems to accept and even enjoy milly better now Sabrina certainly enjoys sissy maid milly as she gets three days off each week now that she has milly to fill in for her Sir certainly has brought a lot of excitement to the house and that excitement seems to still be growing as he seeks to dominate everyone in the house and not just us maids and Ally and Toni Sir getting arrested certainly presents me with a big challenge as although I do not believe that he has actually committed a crime I do believe that innocent people go to prison because people on juries do not believe that they should live their lives in any way unlike the way society demands of them In other words if they do not like what Sir did and the District Attorney says it was wrong they just agree and give it no more thought I disobeyed a direct order from Cally for the very first time Cally let me know that that was unacceptable in a very painful and very humiliating way I don't think I will make that mistake again at least I hope not Cally and I went to the most unusual place in South America in cooperation with Lloyds of London the FBI and Interpol in an effort to find out why men were disappearing from FemDom Nation a community of Dominate women and male submissives FemDom Nation is sort of like a hotel for vacationing Dominate women and Submissive males People from all over the world come there to enjoy their life style for a few days to a few weeks Submissive men can go their alone or with a dominate female Dominate women are welcome with or without a submissive male It was really a neat place and Cally and I had a very nice time However our time was cut short as a result of Sir getting arrested so we came home early and without meeting our objective in order to help out Sir and Ally Cally and I need to go back again to complete our mission but Cally decided to wait until after Thanksgiving Miss Vera's Finishing School for Boys Who Want to Be Girls Veronica Vera, 2016-09-07 It is estimated that three to five percent of the adult male population of the United States feels the need at least occasionally to dress in women's clothing Judging from enrollment at her academy Miss Vera would say that figure is low Veronica Vera founded Miss Vera's Finishing School for Boys Who Want to Be Girls in 1992 and started a gender revolution Working from the pink palace of the Academy's intimate Manhattan campus she has helped hundreds of students embrace and master Venus Envy through her expert instruction in the arts of dressing up making up going out and acting like a lady In her new book she shares her priceless wisdom with the world With sparkling wit and dazzling insight Miss V gives us the 411 on body hair foundation garments make up and

dressing as well as offering invaluable advice on Creating a Herstory finding the real life story of the femmeself within speech manners walking in high heels and that biggest step of all going out in the real world all dressed up Amply illustrated and filled with the real stories of students and graduates Miss Vera s Finishing School also offers a fascinating history of how the Academy came to be as well as Miss Vera s own incisive gender manifesto As we step boldly toward the new millennium many more of us will be doing it in high heels says Veronica Vera In Miss Vera s Finishing School for Boys Who Want to Be Girls she proves conclusively that after a long day in wingtips there s nothing like slipping into a pair of spiked heels
