Event

A Philosophical Journey Through a Concept

Event Slavoj Zizek

Event Slavoj Žižek:

Event Slavoj Žižek, 2014-08-26 One of the most famous living philosophers provides a philosophical analysis of the meaning of events in this deeply interesting and provocative book. The Guardian: An event can be an occurrence that shatters ordinary life, a radical political rupture, a transformation of reality, a religious belief, the rise of a new art form, or an intense experience such as falling in love. Taking us on a trip that stops at different definitions of event, Žižek addresses fundamental questions such as: Are all things connected? How much are we agents of our own fates? Which conditions must be met for us to perceive something as really existing? In a world that's constantly changing, is anything new really happening? Drawing on references from Plato to arthouse cinema, the Big Bang to Buddhism, *Event* is a journey into philosophy at its most exciting and elementary.

Event Slavoj Žižek, 2014-01-30 Probably the most famous living philosopher, Slavoj Žižek explores the concept of event in the second in this new series of easily digestible philosophy. Agatha Christie's *4 50 from Paddington* opens on a train from Scotland to London where Elspeth McGillicuddy, on a way to visit her old friend Jane Marple, sees a woman strangled in a compartment of a passing train, the *4 50 from Paddington*. It all happens very fast and in a blurred vision so the police don't take Elspeth's report seriously as there is no evidence of wrongdoing; only Miss Marple believes her story and starts to investigate. This is an event at its purest and minimal: something shocking that happens all of a sudden and interrupts the usual flow of things, something that appears out of nowhere without discernible causes and whose ontological status is unclear: an appearance without solid being as its foundation. In Christie's novel, the role of Miss Marple is precisely to de-eventalize the event, to explain it away as an occurrence which fits the coordinates of our normal reality. A subject for which there is not yet an agreed-upon definition within philosophy, Slavoj Žižek explores the terrain of this contestable term in a series of short chapters that examine everything from the event as political revolution and the rise of a new art form to the event as religious belief and falling in love. *Event* is a mind-blowing, thrilling, accessible book from arguably our greatest living cultural theorist and philosopher. Slavoj Žižek is a Slovenian philosopher and cultural critic. The author of many books, he has made contributions to political theory, film theory, and theoretical psychoanalysis.

Philosophy in Transit Slavoj Žižek, 2014-02-25 Probably the most famous living philosopher, Slavoj Žižek explores the concept of event in the second in this new series of easily digestible philosophy. What is really happening when something happens? In the second in a new series of accessible commute-length books of original thought, Slavoj Žižek, one of the world's greatest living philosophers, examines the new and highly contested concept of Event. An Event can be an occurrence that shatters ordinary life, a radical political rupture, a transformation of reality, a religious belief, the rise of a new art form, or an intense experience such as falling in love. Taking us on a trip which stops at different definitions of Event, Žižek addresses fundamental questions such as: Are all things connected? How much are we agents of our own fates? cinema the Big Bang to Buddhism Event is a journey into philosophy at its most exciting and elementary Slavoj i ek is a Hegelian philosopher Lacanian psychoanalyst and Communist political activist He is the author of numerous books on dialectical materialism critique of ideology and art His main work is Less Than Nothing a study on the actuality of Hegelian dialectics

Approaches and Methods in Event Studies Tomas Pernecky,2016-05-12 The recent proliferation of events as a subject of study in its own right has signalled the emergence of a new field event studies However whilst the management inspired notion of planned events which strives for conceptual slenderness may indeed be useful for event managers the moment we attempt to advance knowledge about events as social cultural and political phenomena we realise the extent to which the field is theoretically impoverished Event studies it is argued must transcend overt business like perspectives in order to grasp events in their complexities This book challenges the reader to reach beyond the established modes of thinking about events by placing them against a backdrop of much wider critical discourse Approaches and Methods in Event Studies emerges as a conceptual and methodological tour de force comprising the works of scholars of diverse backgrounds coming together to address a range of philosophical theoretical and methods related problems The areas covered include the concepts of eventification and eventual approaches to events a mobilities paradigm rhizomatic events critical discourse analysis visual methods reflexive and ethnographic research into events and indigenous acumen Researchers and students engaged in the study of events will draw much inspiration from the contributions and from the volume as a whole

Iconic Events Patricia Leavy,2007-01-01 Iconic Events explores the social forces that have shaped the meanings around and enduring significance of events that have captured the public s imagination including Titanic Pearl Harbor Columbine and September 11th The book focuses on three interpretive phases including journalistic representations political appropriations and popular adaptations and pays particular attention to the development of dominant and resistive event narratives

Event Slavoj Zizek Introduction

In today's digital age, the availability of Event Slavoj Zizek books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Event Slavoj Zizek books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Event Slavoj Zizek books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Event Slavoj Zizek versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Event Slavoj Zizek books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Event Slavoj Zizek books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Event Slavoj Zizek books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works

and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Event Slavoj Zizek books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Event Slavoj Zizek books and manuals for download and embark on your journey of knowledge?
