*Foucault Beyond Foucault* Jeffrey Nealon,2007-11-12 In *Foucault Beyond Foucault* Jeffrey Nealon argues that critics have too hastily abandoned Foucault s mid career reflections on power and offers a revisionist reading of the philosopher s middle and later works Retracing power s intensification in Foucault Nealon argues that forms of political power remain central to Foucault s concerns He allows us to reread Foucault s own conceptual itinerary and more importantly to think about how we might respond to the mutations of power that have taken place since the philosopher s death in 1984 In this the book stages an overdue encounter between Foucault and post Marxist economic history *Dean Koontz* Joan Kotker,1996-08-13 One of the most prolific and popular contemporary novelists Dean Koontz has captivated both young and mature readers alike This

critical companion examines his mature fiction including his most popular recent novels *Watchers* *Lightning* *Dark Rivers of the Heart* and *Intensity* Its intention is to provide both conventional and alternative readings so that students and readers who love Koontz's fiction can develop their critical skills Other novels examined in depth are *Phantoms* *Strangers* *IMidnight* *IThe Bad Place* and *Mr Murder* Seven other Dean Koontz novels are examined in comparison to these as well A biographical chapter sketches Dean Koontz's background and suggests ways in which growing up as the child of an abusive alcoholic has affected his work A chapter on genre shows that Koontz combines elements from a number of genres in his writing and that his novels are moving in the direction of mainstream fiction Kotker's discussion of Koontz's increasingly somber world view shows him to be a writer deeply concerned with issues of individual freedom Each chapter deals with one novel in depth while making comparisons to other novels in his canon Plot character development setting point of view and thematic issues are discussed for each novel Kotker also examines each novel from an alternative critical approach providing the reader with an additional perspective Because of its easy to use format and thorough critical approach this book will be a key purchase for school and public libraries whose students and patrons read Dean Koontz
