Migration, Mobility, and Sojourning in Cross-cultural Films Ishani Mukherjee, Maggie Griffith Williams, 2020-10-28

Migration, Mobility, and Sojourning in Cross-cultural Films: Interculturing Cinema draws on existing scholarship on global movements and intercultural communication in cinema to analyze six cross-cultural films. Ishani Mukherjee and Maggie Griffith Williams locate key themes that tie into the complexity and implications of global movements, including migrants' experiences of culture shock, cultural assimilation, and/or integration; cultural identities in transition; social mobility and movements; and the short-term intercultural impact that sojourners experience in unfamiliar cultural space. Mukherjee and Williams explore how intercultural communication functions in the storytelling and in the formation of character relationships in these films, arguing that the depictions of migration, mobility, and the resulting intercultural communications are complex and stressful moments of conflict that lead to mixed results. Scholars of film studies, communication, migrant studies, sociology, and cultural studies will find this book particularly useful.

Understanding Everyday Incivility Shelley D. Lane, 2017-08-28

Understanding Everyday Incivility delves into the day-to-day annoying behaviors that color our interactions with other people, such as the use of crude language in public, family members who claim that they're just teasing, and we're too sensitive; coworkers who constantly interrupt us; and inflammatory remarks posted on social media sites. Shelley D. Lane explores what is considered uncivil behavior, why we label some acts as crude or selfish while others are deemed polite and proper, and how

these labels often change from one context to the next She highlights the power dynamics at play in our interactions and explains how rude behavior can sometimes be beneficial and polite behavior can be detrimental Rather than a simplistic manual of manners Lane provides the tools to understand everyday incivility and strategies for responding effectively and appropriately
