Essentials Of Contemporary Management Chapter 1:

Comparative Management Studies Alan S. Gutterman, 2019-04-04 All managers regardless of where they work must understand certain basic concepts such as the functions roles and skills associated with the managerial position and the styles available to managers for use in any given situation However context matters and it is essential that managers understand the role that culture plays in being effective in their positions This book begins with a brief description of the history and evolution of management studies continues with an overview of the scope and practice of comparative management studies and provides examples of the research that has been done on cross cultural transfer of management theories In addition the book includes materials on the search for and analysis of dimensions of management styles that can be used as a basis for creating models that can be used for comparison purposes

Contemporary Management Gareth R. Jones, Jennifer M. George, 2021 Since the tenth edition of Contemporary Management was published our book continues to be a leader in the management market This tells us that we continue to meet the expectations of our existing users and attract new users to our book
