Parents and Schools Anne M. Bauer,Thomas M. Shea,2003 The challenges of teaching a child who has a disability are many and varied Nothing helps the process more than

strong collaboration between the child's teachers and the child's parents. This new book is all about creating that collaboration, maintaining it, and using it to help children who have disabilities reach their personal educational potential. The authors take a developmental approach to their subject, focusing on the uniqueness of each family and each child from infancy through the primary grades to middle school, high school, and adulthood. Throughout the book, the voices of real parents lend authenticity to the material, and the essential role of the family in the education of its children is seen as of paramount importance. This book also addresses current educational trends toward maximum inclusion for all children: children with ethnic, cultural, and linguistic differences, as well as those with physical and mental disabilities.
