Unit 1 – Crossing Barriers

1 Suggested Answer Key

Picture 2 is a fax machine. A document is being sent. The girl in picture C is talking to someone on her mobile phone. It might be a class friend or she looks pleased to hear from them. The girl in picture D is reading a letter and, judging from her expression, the letter could possibly be from someone close. The girl in picture E seems to be communicating through e-mail or chatting with someone on-line.

2 Suggested Answer Key

- I could tell he was a native speaker by his pronunciation.
- She still has a regional accent even though she has lived abroad for twenty years!

- I'm not really sure which is his first language, but I know he was born in Germany and brought up in France.

3 Suggested Answer Key

- This article is obviously about how easy and convenient sending text messages can be, no matter where you happen to be at the time.
- Here the writer possibly discusses how more economical email systems are in comparison to fax machines, expensive fax machines are compared to email.
- In this article about letter-writing and the use of postal services, the focus seems to be on how much more personal it is to send letters in your own handwriting and perhaps shows a greater level of respect.
- This article no doubt concerns the fact that although we have such modern forms of communication, they can still be inefficient and unreliable as they can break down, leaving us high and dry!
